

The Sabbath School Library

Our specialty is the equipment of the Sabbath School Library and we offer to Librarians and Library Committees exceptional facilities. We have no long list of our own publications to offer and consequently have no private or special "Axes to Grind," nor do we work in the interest of any one publisher or set of publishers. We are distinctly "free lances," wandering at will through the whole bookmaking field, selecting and handling only such books as are pre-eminently desirable, and we furnish the best literature gathered from every source.

We have just issued a Special Library Catalogue—one of the best catalogues ever issued in Canada—and we want every Superintendent and Teacher to write for a copy. It will be sent free to any address.

OUR PRICES ARE THE LOWEST.

If you are purchasing for a School Library or for your own, one volume or in quantities, you should see our catalogue and prices before ordering.
