

From top to bottom the house is best cleaned that is cleaned with Pearlina. It is done with little labor and with great results—with ease to yourself, and with no possible injury to anything that is cleaned. To use Pearlina once is to want it always; you will want it always because it does what you want.

Beware of imitations which are being peddled from door to door. First quality goods do not require such desperate methods to sell them. PEARLINA sells on its merits, and is manufactured only by
