

AUSTIN **Gyratory Crushers**

TECHNICALLY AND MECHANICALLY PERFECT

Their capacity is only equalled by the rapidity
with which stone can be fed to them. ♡ ♡

**Complete
Rock Crushing
and
Concrete
Mixing
Plants**

**CYCLOPEAN
Bottom
Dumping
Concrete
Buckets**

We court investigation
for we know
beyond the question of a doubt
that of all Crushers made
The Austin is the strongest and least likely to get out of repair
