

POWER

LIGHT

40-Light Plant

meets power needs of average farm.

—also made in 65, 100 and 200 Light Sizes

You will never go back to Oil Lights after you have seen the advantages of the "F" Power & Light Plant

TOUCH A BUTTON!—Instantly a flood of brilliant light in house, stables, cellar, garage, or barnyard. Better light—less cost. No lamps and lanterns to fill and clean. No groping in dark corners or unlighted stairs. Bright clear light, wherever you want it. Dependable, convenient, economical.

Power also at your command. Direct belted to your separator, churn, pump, grindstone, or washing machine, the "F" plant engine does as much work as an engine twice its horse power, producing current to drive these same machines by individual electric motors. The "F" Plant is a farm utility which gives you, dollar for dollar, more comfort, convenience and profit than any other farm improvement. It is a time-saver and a labor-saver.

Install an "F" Power and Light plant now and enjoy the advantages it makes possible. You will immediately benefit, and find greater pleasure and satisfaction in your home and on your farm.

Mail the coupon to our nearest office, to-day, and the "F" Plant catalogue will reach you in a few days, giving complete information.
