

# THE BELL-SMITH LAND COMPANY.

FRANK C. BELL.

WM. H. SMITH.

## People going West

like to follow along about the same latitude they have been accustomed to. For that reason the farmer of Ontario feels at home in Manitoba. Here, too, he finds a lot of his old neighbors and friends, as fully half of the Manitoba people are from Eastern Canada. Here he finds the best of schools, plenty of churches, and the best of markets for all he has to sell. If he locates near WINNIPEG, he is near a city of 50,000 people to-day and 100,000 people a few years hence. He notices, too, that not only the Ontario farmer, but the American farmer, has his eye on Manitoba, and that while there is a large demand for land this year, there will be a much greater demand another year. They are coming this way. Will you come now, or will you wait for prices to double and then come? Many farmers from Eastern Ontario should come at once and secure some of this cheap land. Come, you farmer with a large family and a small farm. Come, you newly-married people just starting out for a home of your own. Come, you renter; rent or buy a farm here. Come, you speculator, and buy a good piece of land that will double in value. There is room for all here. Write us and tell us of your wants, and we will answer your letters, and try and fill the bill. **Prices from \$5.00 to \$25.00 per acre.**
