BITTERS-\$1 per Bottle.

ning gains both in liquor and money were slightly increased; until the last song was sung. He gasped forth-" God in heaven, have me the last house was closing, and there was the only choice between the damp, chilly streets and his miserable home.

Thither he made his way, threading a filthy lane and turning into a narrow alley at the end. He entered the open door of one of the houses-always left open night and day, for the est and heartfelt :--- and they were heard. sufficient reason that the whole house contained nothing worth stealing. He ascended a narrow staircase and passed into a dimly-lighted room, which fith and squalor made rife with fever and death. There were dirty bundles of humble, earnest entreaties into the listening ears of Eternal Love, for her father, and her mingled straw and rags, intended for beds in mother and the other children. Then, still three of the four corners of the room, an old broken table, two chairs without seats, one old clinging closely round his neck, she faltered, sauce pan and a little crockery :-- and this was "Father, one more promise; don't ever drink

home ! any more.' If such men and such homes were not so eommon in our great cities, if such scandalous facts were not too patent to be for a moment doubted or denied, it might be thought a mere wanton effort of grotesque imagination to set forth such a picture. But the type is so ordi-she faintly murmured, "I am going father,

nary, the case one of such constant occurrence, prav !" that habit has brought us to regard such homes and such men as things of course, calling for no special effort, for no hearty, self-denying work, for no earnest prayer, for the redemption of the man and improvement of the home We see and know, we sigh; we pass on, and we lorget !

Dick was in his ordinary condition of full in- Her employer readily provided means of detoxication as he entered his home; his step cent burial upon her father's promise of repaywas steady, his strength firm; but there was ment. That all was over, and poor Dick had brooding within him a fierce, caged devil- to return to daily tempting torture without his greatly feared by his wife and children, because darling Fannie., Ottentimes every limb seem easily aroused by a word or a look, -a devil ed to quiver for the accustomed stimulants that had oftentimes broken out upon them, and his life appeared one long continuance of with oaths and curses, blows and tears. With- awful craving-a terrible yearning that out a word of greeting, he sat down, ignorant seemed as if it must have its way. Yet his and careless whether his wife and children had strong resolve never once wavered :- he would been fed during his absence; and he began to die, or even go mad if so it must be: but he prepare tor rest. His toil worn wife glanced would be able to look into Fannie's spirt-eyes prepare for rest. His toil worn wile gianced and declare that he had faithfully kept his last a little sprinkling of air-slacked lime, the dust if using now, to lay them aside forever then timidly said-" There's a bad message promise he had given. It was hard striving for concerning Fannie, Dick; she must have some time, and he soon found it necessary to caught the fever, when she came here last seek aid, whence alone it could be obtained. It was well for him that he had to strive hard week. I went down to see her this afternoon ; but the boy came late this evening to say she for honest means of living. He therefore went was very bad, and wanted you to go and see to an old employer saying, "My daughter

her." As the poor wife spoke, she looked up Fannie is dead. Before she died she made me fearfully, as it uncertain in what manner such promise never to drink any more; and if I die for it I will keep my word. Now if you will fails. unwelcome intelligence would be received.

He made no reply, but replaced his worn kindly employ me, and lend me money to reshoes upon his weary teet, and went forth into deem my tools, I will work steadily tor you the sharp night. Shive ring with cold as the till all is repaid." "Lift up your head and let me have a fair

bleak wind met him, he steadily, and for a time silently, held upon his way. At length he look at your face," replied the employer. Dick quietly obeyed the request; and the b-gan muttering "Fannie! Fannie! down with the fever? I'd sconer it had been all the master fixed a keen, scrutinizing glance upon him, replying at length, " All right, Dick, I'll others together !"

Poor Dick's one-lamb, the despised drunk- trust you willingly." ard's last hold and hope in life ! Fannie down, pleasant-faced, bright eyed Fannie ! I wish I

swered his wavering knock at the door, and aged at once and stopped. But some of the liealth.

of treatment as follows. cy upon my darling and upon me?" The barrier once broken down the pent up deluge burst forth. With his daughter's

I kept an exact account of all receipts and expenditures. I have upon an average through arms round him, her hot breath upon his tear- the year about one hundred hens, three-fourth Leghorns, the remainder Dorkings. I prefet stained cheek, there the poor drunkard pleadthe Leghorn to all other kinds for layers, as ed earnestly for mercy and though the words each hen will lay about two hundred eggs in were labored and interrupted, they were earna year and seldom want to sit. The Dorkings keep for hatching and rearing chickens " Amen !" responded Fannie, and then conthough they are good layers and weigh dress tinued, "Let me pray now, father," she said, ed or alive nearly twice as much as the Legand with her last strength she poured forth

My plan is to dispose of two thirds of my stock of old horns each year and rear others to take their places, as young ones are better layers than those two years old, and I conside poultry a year and a half old worth as much pound for pound, as young ones.

"I won't, Fannie !" he gasped ; I never will, I feed them on oats in the morning; at noon God helping me : I will die and go to you, if I give them a mash made of corn and wheat He will let me : but I will never touch strong screenings and boiled potatoes about equal drink again." A glad peaceful smile lit up her parts ; three or four times a week I add a little fresh meat. I feed but twice a day and carefully save all the manure, which I think many Ball's New Patent Ivor people do not understand the value of, each He complied, and the words fell solemnly

hen will make from seventy-five cents to a dolupon the air. Then the loving arms unclaps lar's worth in a year.

Read for yourself and restors your sight. Spectacles and Surgical operations rendered uses. The inestimable Blessings of Sight is ma ed, the head fell back and Fannie was not ; My hen-house is forty feet long and twelve less. The inestim " for God had taken" her to the land, of which feet wide, fronting east and west, with doors it is written, " There shall be no night there !'
