NOTICE.

To the Ministers as Agents of the "Wesleyan"...

In August last we sent out from this office to all our ministers who act as Agents for the "Wesleyan," lists of subscribers on their respective circuits...

By referring to those lists it will be seen that a large number of our subscribers have not yet paid the subscription for 1883...

In the revision of our lists at the beginning of the New Year, we shall be compelled to strike off the names of all subscribers who are more than one year in arrears...

We are sorry to lose a single subscriber, but if our brethren will only help us, we need lose but very few.

We therefore strongly but respectfully urge upon all our Ministers the duty of at once attending to the collection of all unpaid subscriptions.

We are endeavoring to make arrangements for the wider circulation of the Wesleyan, but in order to complete such arrangements we must collect from all who are in arrears.

To our Subscribers:

Please read the above notice to our Ministers, and if you have not paid your subscription within twelve months, do not wait to be called upon...

"A. L. O. E. (Miss C. M. Tucker) may be termed a writer of sanctified fiction. There have been many of the sort, judging by the hole her stories have had upon the youthful mind, she has been queen of them all. Gifted with the genius and possessed of the power of the popular novelist, she knew how to catch attention and hold it. Her productions were characterized by ingenuity of plot and happiness of diction. But she was not content with endeavor simply to entertain. The spiritual profit of the reader was the prime purpose, and all else was but to that end. Her work shows that she actually comprehended child nature. Some writers tell a story with no inherent instruction, and append a moral. The child reads the story, skips the moral, and is nothing profited. Miss Tucker intertwines the two so that they cannot be separated. Every word in her narratives illustrates some important truth or conveys some valuable lesson."—Daily Witness.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes: "AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look for for relief. One dose will quickly move my bowels, and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."

W. L. PAGE, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882. "I have used AYER'S PILLS in numerous instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable." J. T. HAYES.

Mexia, Texas, June 17, 1882. The Rev. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the coxive habit, and have really improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical system.
