

Toronto Markets

Table of market prices for grain, meats, and vegetables in Toronto. Includes items like wheat, barley, hogs, beef, and various vegetables with their respective prices per unit.

Church Committees

Are respectfully notified that our prices to HIGH CHURCHMEN are not high, and to LOW CHURCHMEN are not too low, but just that happy medium consistent with first-class PRINTING

Therefore when the Church Wardens' Report is to be printed; when Programmes, Tickets, etc., etc., for either the vestry or the Sunday school are wanted, come right to us, and if we can't satisfy you it isn't because we haven't facilities second to none in this country, or that we ask more than a fair margin of profit on our work.
