ANNUAL INCOME, £220,000 STG.:

Yearly increasing at the rate of £25,000 Sterling.

THE important and peculiar feature originally introduced by this Company, in applying the periodical Bonuses, so as to make Policies payable during life, without any higher rate of premiums being charged, has caused the success of the BRITON MEDICAL AND GENERAL to be almost unparalleled in the history of Life Assurance. Life Policies on the Profit Scale become payable during the lifetime of the Assured, thus rendering a Policy of Assurance a means of subsistence in old age, as well as a protection for a family, and a more valuable security to creditors in the event of early death; and effectually meeting the often urged objection, that persons do not themselves reap the benefit of their own prudence and forethought.

No extra charge made to members of Volunteer Corps for services within the British Provinces.

The Ætna Life Insurance Company.

AN attack, abounding with errors, having been made upon the Ætna Life Insurance Co. by the editor of the Montreal Daily News; and certain agents of British Companies being now engaged in handing around copies of the attack, thus seeking to damage the Company's standing,—I have pleasure in laying before the public the following certificate, bearing the signatures of the Presidents and Cashiers who happened to be in their Offices of every Bank in Hartford; also that of the President and Secretary of the old Ætna Fire Insurance Company:—

"To whom it may concern:—
"We, the undersigned, regard the Ætna Life Insurance Company, of this city, as one of the most successful and prosperous Insurance Companies in the States,—entirely reliable, responsible, and honourable in all its dealings, and most worthy of public confidence and patronage."

Phenix Mutual Life Insurance Co
HARTFORD, CONN.

Accumulated Fund, \$2,000,000. Income, \$1,000,000.

THIS Company, established in 1851, is one of the most reliable Companies doing business in the country, and has been steadily prospering. The Massachusetts Insurance Reports show that in nearly all important matters it is superior to the general average of Companies. It offers to intending assurers the following reasons, amongst others, for preferring it to other companies:

It is purely Mutual. It allows the Insured to travel and reside in any portion of the United States and Europe. It throws out almost all restriction on occupation from its Policies. It will, if desired, take a note for part of the Premium, thus combining all the advantages of a note and all cash company. Its Dividends are declared annually, and applied in reduction of Premium. Its Dividends are in every case on Premiums paid. The Dividends of the PHENIX have averaged fifty per cent. yearly. In the settlement of Policies, a Dividend will be allowed for each year the policy has been in force. The number of Dividends will always equal the outstanding Notes. It pays its losses promptly—during its existence never having contested a claim. It issues Policies for the benefit of Married Women beyond the reach of their husband's creditors. Creditors may also insure the lives of Debtors. Its Policies are all Non-forfeiting, as it always allows the assured to surrender his Policy, should he desire, the Company giving a paid-up Policy therefor. This important feature will commend itself to all. The inducements now offered by the PHENIX are better and more liberal than those of any other Company. Its rate of Mortality is exceedingly low and under the average.

Parties contemplating Life Insurance will find it to their interest to call and examine our system. Policies issued payable either in Gold or American currency.
