

## Collegiate Rugby Team Lost First Game of Season

Went Down to Defeat at Hands of St. Jerome's College by Score of 35-5—Locals Outplayed.

The B. C. I. rugby aggregation in its initial contest of the season was yesterday afternoon defeated by the St. Jerome's team of Kitchener.

The final score, 35 to 5, is a fair representation of the relative games put up by the two teams, but a victory could hardly be expected from the local team as they had not as yet engaged in a game together, while their opponents, a much heavier and older team have played several teams recently. The funniness of the local halfbacks and the splendid speed exhibited by St. Jerome's half were responsible for the resulting outcome of the struggle.

The B. C. I. team were prevented from playing as effective a game as they otherwise might by their nervousness displayed during the first half of the game, but as they became more accustomed to the style of play of their opponents they gradually found themselves and during the later stages presented a good resistance. The team plainly demonstrated that, under the capable leadership of Capt. Kelly, they have developed an excellent line, making

gains of from nine to ten yards on nearly every buck.

While it is difficult to single out any particular player, the fine game put up by Dudley Hurley was worthy of merit, he saving the game from a clean shutout by his touchdown. Moffat and Phelps for the locals also played stellar parts, while the work of Kitchener, a first year student, was a revelation, his tackling being especially effective. With a little more practice and team play, however, there is no reason why a team of championship calibre should not be developed from the fine squad which Kitchener now has in training and a victory is predicted for the locals when they journey to Galt on Saturday afternoon for their opening game of the interscholastic league.

The team which took the field yesterday was as follows:

Left outside, Baird and Guenther; left middle, Phelps; left inside, Moffat; left scrum, Booth; centre scrum, Adams; right scrum, Kitchener; right inside, Mr. Green; right middle, Truss; right outside, Middlemiss; quarterback, Litter; halves, Buckborough, Cook; full-back, Deagle; flying wing, Hurley.

## PREMIER HEARST HAS HUN HELMET

Was Presented to Him By Former County Constable Fred Kerr of This City.

Premier Hearst yesterday afternoon in his office handed over to Mayor Church a German helmet, which was presented to him by Lieut.-Colonel Beckett and Sergt.-Major Kerr of the 75th Battalion, C. E. F., in the Somme district, to be handed to the Mayor as a souvenir from this unit.

The Premier stood with General Watson reviewing the battalion as they marched to the Somme district and saw them into the firing line. The large silver-plated inscription, six inches long, has a bullet hole through the centre, which killed the officer, and is inscribed: "Mit Gott Für König und Vaterland" (With God for King and Fatherland). The helmet belonged to one of the Prussian Guards, one of the finest German regiments, which was opposing the 75th Battalion and "got the worst of it," says the Mayor.

Premier Hearst informed the Mayor that the 75th Battalion "had gone over to the front as a unit," although the 74th had been broken up. Col. Beckett was still commanding the battalion. They were four weeks in the trenches before going to the Somme district, where they are now in action. As the Premier left them, Lieut. "Bill" Commins and Lieut. "Tom" Creswick yelled out after him: "Tell Tommy Church we are going strong—we have got seven Military Crosses already." The Premier said Toronto should be congratulated on having such a splendid corps and for the good account they were giving of themselves. He said he was proud of what Toronto had done in men and money, and that everywhere he went in the old land he met Toronto people.

DETAILED REPORTS  
Washington, Oct. 12.—The navy department today received a report from Rear Admiral Knight at Newport, giving detailed accounts from commanders of four of the steamers sunk by a German submarine off the New England coast. Naval officials refused to comment upon its contents and it will be transmitted to Secretary of State Lansing in connection with the determination of the policy of the United States.

Secretary of Commerce Redfield is said to have disregarded legal advice and suppressed portions of the dye report, just as desired by German interests.

## GIRLS! BEAUTIFY YOUR HAIR AND STOP DANDRUFF

For 25 cents you can save your hair. In less than ten minutes you can double its beauty. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and charming as a young girl's after applying some Danderine. Also try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty soft hair, and lots of it, surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

**BATTALION OF GERMANS FLED**  
From a Mere Handful of Canadians Who Entered Courcelotte.  
A GREAT BLUFF.

London Oct. 12.—Lieut. Hiltz, of Kingsport, N.S., who is in hospital here, was one of the first British soldiers to enter the main street of Courcelotte. Since then it has been learned from another officer that Lieut. Hiltz headed a small party sent in advance when they suddenly found themselves surrounded by a battalion of the enemy. They at once made a charge, and succeeded in dispersing or capturing the Germans. The latter, thinking that the main Canadian forces must be close at hand, were completely bluff, and expressed bitter chagrin when they realized that their whole battalion had been put to flight by a mere handful of Canadians.

## PRESENTATION TO PARIS GIRL

### OTHER PARIS NEWS.

Paris, Oct. 12.—(From our own correspondent.)—On Tuesday evening the members of the Ladies' Aid Society of the Presbyterian Church, paid Miss Kate Sleith of Upper Town, a surprise visit. A most enjoyable time was spent, and during the evening the following address was read by Mrs. M. Wilson, while Mrs. Craigie presented Miss Sleith with a handsome cut glass water set from the members of the Ladies' Aid.

Paris, Oct. 10th.  
Miss Sleith.—It was with feelings of regret that we, your friends, the members of the Ladies' Aid Society of the Presbyterian Church, learned of your intention of leaving here. When we remember your willingness at all times to help in this line, we cannot let you go without expressing to you our appreciation of your faithful service, and your generous assistance in all our work. We ask you to accept this small remembrance from the members of the Society, with the wish that you may long be spared to enjoy it and though you are far away from us, our prayers and good wishes will follow you to your new home.

A reception was held in the Baptist church last evening to welcome their new minister, Rev. W. H. and Mrs. Langton to town. Supper was served by the Ladies' Aid Society in the school room, and the tables were prettily decorated with autumn flowers. After ample justice had been done to all the good things prepared by the ladies, a social hour was then spent, when all had an opportunity of meeting their new pastor and his wife, and family. An address was given by the Rev. W. H. Brown of Brantford, and the officers of the church on behalf of the congregation extended them a hearty welcome here. Miss Jean Randall and Mr. Ed. Ayer favored with solos and Mrs. E. O. Apps rendered a piano solo.

Best wishes of the Parisians are extended to Rev. Mr. Langton for every success in his new pastorate in town.

## Boston Take Driving 2 F

Leonard Was Invincible Sox Hammered Ma Rucker in the Bo

(By F. G. Menke)  
Brooklyn, Oct. 12.—With bases in the second inning, Gardner, of Boston, picked off of the left-handed offerings of Marquard, of Brooklyn, and pelted it to the centre-field for a home run.

And right there you have the cause for the cracking of the gers this afternoon; right the reason for a 6 to 2 victory the Red Sox.

It was Gardner's terrific that put the Sox in the lead and robbed Marquard of his pois much of his confidence. And Marquard faltered the whole team seemed to wobble behind him.
