## IMPROVEMENT SOCIETY WAS ORGANIZED

Business Men of Eagle Place Elected Officers at a Meeting Last Night  
**PLANS FOR FUTURE**

The initial meeting of the South Brantford Improvement Association, held in the King Edward school last evening proved to be a well-attended and enthusiastic gathering. Mr. F. Billo was elected master of ceremonies, and presided in his usual capable manner. Mr. J. D. Ansell was appointed secretary of the meeting and then permanent organization was discussed. Messrs. R. H. Martin, E. Lavery and Dr. Robinson were appointed to select a staff of officers, and their recommendation which follows, was unanimously accepted.  
Honorary President—Dr. J. W. Robinson.  
President—Fred Billo.  
Vice-President—Geo. A. Ward.  
Secretary—Hugh Atwell.  
Treasurer—James D. Ansell.  
Curator—John Bowden.  
A resolution was adopted that no fee be charged for membership. Messrs. attending the meetings of the society automatically become full fledged members, being heartily welcomed and presented with a membership card gratis. This was made possible through the generosity of Mr. Geo. A. Ward, who has offered to provide the membership cards needed, up to a number of two thousand. The question of place of meeting was then branched, and in reply, Trustee L. L. Miller, of the Board of Education, said that schools were not used to the advantage that they could be, and represented a large public investment and expenditure which was idle most of the time and could be used advantageously to benefit the citizens, when used to discuss matters pertaining to the good and welfare of the community at large. To these views the meeting unanimously agreed. Organization having been effected, discussion on city boundary extension followed, and it was decided on motion by Mr. J. Newham to enlarge the important matter for two weeks, when the next meeting of the society will take place.

## LIEUT. W. KELLY BELIEVED KILLED

Local Aviator Loses Life in Flying Accident in England  
**SAPPER McLAREN ILL**

Doubly tragic because of its uncertainty, was the message received this morning by Mr. and Mrs. P. Kelly, 49 Nelson street, to the effect that their son, Flight Lieut. William Kelly, was believed killed in a flying accident in England. No further particulars were given, and the vague tenor of the information—sent from the secretary of the Royal Flying Corps in London—only intensifies the sadness of the young man's parents. Lieut. Kelly went overseas with a draft of the Transport Corps more than a year ago, and transferred later to the Royal Flying Corps. Some months ago he was seriously injured in a flying accident, but recovered, and had since taken part in several night raids. At the time of the accident in which he is believed to have met his death, he was instructing at an aviation camp. Lieut. Kelly is the oldest son of Mr. and Mrs. P. Kelly, and was born in Brantford, receiving his education at St. Basil's School, and the Collegiate Institute. He was on the staff of the Bank of Toronto at the time of his enlistment. He was twenty-one years of age, and leaves in addition to his parents, one brother, Arthur, and two sisters, Helen and Allen, all of whom will have the sympathy of many friends in the uncertainty surrounding the fate of the young hero.  
Sapper E. P. McLaren, of the Canadian Engineers, was listed as ill in the official casualty list this morning. Sapper McLaren was formerly Brantford's assistant city engineer, having served the Works Department in that and other capacities for several years. He enlisted in the Engineers some two years ago, retaining leave of absence from the city for the purpose. His home is at 12 Superior street.  
Pte. S. Crumback, former proprietor of the Tea Pot Inn, has been seriously wounded, according to word received by his daughter, Mrs. Lane, Dalhousie street, from her mother, who is now living in Washington. The Crumback went overseas with the 125th Battalion.
