

SACHEL --OF THE-- SATELLITE

Everything is coming our way, even the mosquitoes.

Johns will run, so will John Lee. John Davidson will be elected.

It wasn't necessarily because Green was a barber that he got into that scrape.

Why didn't the Banner-News report the speech that T. L. Pardo spoke?

Has the Banner-News learned yet that the police made a raid on the market on Saturday?

Some of the shareholders in the binder twine factory feel as though they had been ripped in.

The Public Library Board couldn't have known their book or they wouldn't have got gold-bricked.

That Binder Twine Co. will have to start a factory to make itself binders to bind up the splits in the company.

Light weights are worth something in prize fighting, but they don't score worth a darn when the police raid the butter market.

It looks as if the Cemetery committee considered the letting of trees and shrubs grow wild on the lots at the cemetery as a grave offense.

All that's the matter with the Binder Twine Factory is that the shareholders don't own it yet and the shareholders have still a little interest in it.

A crazy girl up at court the other day said she wanted to get married. Judge Houston remarked that it wouldn't do to say all girls were crazy who wanted to get married.

That little difference between G. H. J. and its garbling contemporaries.

DECEPTION.

When the conjurer shows an empty hat, and at once begins to extract from it rabbits or cabbages, we know that we have been adroitly deceived, because we know we can't get out anything that isn't in it.

If people would only reason in that way about medicines they would be a great deal better off in health and pocket.

A number of so-called "blood making" and "flesh forming" "tonic" medicines are only stimulants in disguise. You can't get strength out of a stimulant because strength is not in it. All physical strength is derived from food digested and assimilated and in the form of blood nourishing the entire body.

Doctor Pierce's Golden Medical Discovery does not make blood or make strength, no medicine can do that. But it does cure diseases of the stomach and its allied organs, and so causing the perfect digestion and assimilation of food, it enables the building of the body in sound and vigorous health.

"I can say to you one bottle of your 'Golden Medical Discovery' has cured me some of the worst cases of indigestion I have ever known," writes W. H. Bransell, of McAdenville, Gaston Co., N.C. "My health is worth all the world to me. I will praise you as long as I live."

The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 31 one-cent stamps for the book in paper covers, or 50 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

Daizell and Mr. Wm. Fell, tenors, are both thorough artists and have received the highest commendation on their visit to Canada. Mr. Harry Dearth is a promising baritone and is quite equal to any ever heard here in Canada. Mr. Norcup has also a fine tenor voice. Mr. Robert Hilton is one of the oldest and foremost voices of the Abbey, and the leading church basso of London having taken the solo at the Queen's Jubilee, 1887.

ious story, expatriated by the American musician by declaring him of Italian birth and rejoicing in the name of Sousa, to which, in a spasm of patriotic fervor, he was supposed to add the initials Y.S.A. in order to make the familiar name of Sousa. This story has been printed all over the world, and in many instances has been accepted as gospel truth. But the fact remains that the "March King" was born in Washington, D. C., forty-five years ago, although his ancestry is Portuguese. At the royal concert at Sandringham, England, in December, the ambassador of Portugal at the Court of St. James told him that the name Sousa is one of the most famous in that country. Sousa, by the way, will bring his band here on Monday afternoon, May 19th, for a single concert at the Grand Opera House.

Theatrical

The Westminster Abbey Choir Glee and Concert Company have been meeting with crowded houses on their Canadian tour, in many of the towns they have appeared in the seats having all been sold three and four days in advance of the day of their arrival. No musical organization that has been heard in Canada has given more genuine delight than the coronation choristers and the sweet boy sopranos. The famous company come direct from Westminster Abbey, England's most historic cathedral, and is composed of many of the finest soloists, the most remarkable male altos and most wonderful boy sopranos in England. Mr. Edward Branscombe, director of the tour, is one of the principal lay vicars of the Abbey and has a beautiful tenor voice of very sweet quality. The contralto, Madam Marie Hooton, is a charming London singer and has delighted her Canadian audiences many times, responding three times when she renders Down the Burn. The male alto, Mr. Walter Coward and Mr. Harry Oakley have voices seldom ever heard this side of the Atlantic. They are the two finest alto singers in Great Britain. Mr.
