## GOOD SECOND-HAND

**STOVES.** We have been fortunate in making a number of deals for stoves that are in perfect condition, but for various reasons were not suited to the work they had to do.

We will give you the plain history of each and every one, the reason they were traded to us and we will also guarantee them free from breaks. Here is a chance for you to get a snap. They will be ready for your inspection Tuesday morning.

## SATCHEL OF THE SATELLITE

Clancy is a clean man.

A Cabinet Minister or a Back Bench—whichever?

Now then, all ears to the ground, for it's on the way.

H. M. S. Pinafore—How Many Small Pinafores, I suppose.

A clean cause, a clean candidate and a clean campaign.

The Rossites are having a lot of trouble in West Hastings.

At last West Kent is to be represented by a Cabinet Minister.

But don't altogether overlook civic affairs and the new market building.

It was the greatest convention ever held in West Kent—a sign of the times.

Be on hand to-night, young man, and extend a hearty welcome to Jas. Clancy.

As Minister of Agriculture Mr. Clancy would be a great representative for the farmers of Kent.

The Lawn Tennis Club "ball" to-night may be just a racket to net some lawn green, as it were.

I hope no one will hurt the feelings of the Rossites by saying they are as busy as bees in a beehive.

Quebec, Special—Is this Pinafore that I see advertised in Chatham some sort of an apron shower?—The Satellite.

Looks as though those Strattonites intended to Phil A. Lott of bogus ballot boxes on us in the Provincial campaign.

Say, I understand now what that Globe man meant when he said "Listen to the hum." He knew what those bee-lives were.

Those natty blue buttons of the Young Men's Association with the white initial C are just all right. C. you know, stands for Conservative, Clements, Clancy, Clean Campaign, Cabinet, and many other good things.

OF INTEREST TO LADIES.

The visit of Prof. Dorenwend to Chatham on Tuesday, Nov. 22, will afford the ladies of Chatham and surrounding country an opportunity of consulting him regarding their hair, its needs, and their requirements in all styles of Hair Goods. Prof. Dorenwend carries with him a large and most varied assortment of his famous conceptions in Switches, Bangs, Pompadours, Wavy Fronts and Wigs.

The equal of these high grade natural hair productions can not be procured from any hair goods dealer in America. Prof. Dorenwend has the distinction of being the largest manufacturer and the most noted specialist in these goods. Private apartments are at the convenience of all who avail themselves of calling at Hotel Garner on the days of his visit.

**DRAINAGE COURT**

Drainage Referee J. B. Rankin is holding Drainage Court at the Court House to-day.

There is only one case up, that of Campbell vs. Howard. This is an action brought up by John W. Campbell against The Township of Howard for \$225 damages to crops and land during the years 1902 and 1903 caused by the overflow of McGregor Creek and the Harrison drains.

The trial was held at Ridgeway on the 25th of May and was adjourned for argument. The Court was in session all morning and resumed this afternoon at 1:30. Walter Mills appears for the plaintiff and L. J. Rycraft for the Township.
