# The Gordon Store NOVEMBER Fur Announcement!

Furs are increasingly and deservedly popular as articles of dress. Some of the best fur-producing countries are unsettled, and the hunters' catch hindered or neglected, causing an advance in the price of raw furs, which we were sure would occur. To secure to our customers the very best of values, and equal or even lower prices than former years, we have secured the agency for this section of **The Celebrated Beaver Brand Furs**.

In the face of a steady advance in the price of furs, we want to show you what a saving you can accomplish by purchasing at **The Gordon Store**.

In the **Beaver Brand** you can be assured you are getting honest manu-  
factured furs, of good quality, the most careful workmanship and up-to-date models.  
We guarantee satisfaction in style, price and wear. To insure against ripping, wear  
and tear, especially in astrachan coats, ladies' coat leaders, we have ours reinforced  
by a new system of seaming and interlining, which shall be fully explained to every  
purchaser. If you are not already one of our regular fur customers, we ask the op-  
portunity of making you one, and when you are in need of reliable furbgoods, and at  
lowest cash prices, be sure first of all to examine the reliable, the **Beaver Brand Furs**.
