The sad news reached here this week of the death at Santiago of Mr Arthur Stewart, son of Mr John R. Stewart, of Hortonville. Mr Stewart was living in the United States at the time of the breaking out of the late war and at once volunteered his services to the government. He was a young man who was much respected by all who knew him, and occupied the position of chaplain in the 10th Maine, which he belonged, reading the burial service over those of his comrades who were killed in battle. He occupied the bullet of the enemy, to fall a victim of disease, and died in the hospital. The honored parents have the sympathy of the whole community.
