HARTLAND, N. B., JULY 16, 1924

TOURIST TRAFFIC

Our Bath correspondent says: "That the tourist traffic of an international character is a heavy one this year, can easily be ascertained by the large number of cars which have this far passed through our town, bearing license tags of different provinces and states, many of which are fully equipped with camping outfit."

The above can also be applied to Hartland, the same tags showing here also those from Pennsylvania and California.

An interesting party arrived in town Monday evening, the car bearing a California tag. They were Mr. and Mrs. Leverett, Fowler and their children. Mr. Fowler's old home, from which he went 19 years ago. Through his Western travels he picked up a wife in British Columbia and later went to California from which place they started on May 21 for their long journey east. They have come 6000 miles and have had varied experiences, one of which was being caught in a snow slide in the Rockies. They have had a very enjoyable trip and Mrs. Fowler is much impressed with the east.

IN MEMORIAM

In loving memory of Lottie, wife of Judson Burlock, who departed this life, July 16, 1923.

Peaceful thou art sleeping Lottie, dear, Far from the toils of this vain earth; Slightly I drop the falling tear For I loved thee best of those on earth.

This weary body lies at rest No more to know an ache or pain, 'Tis Father's will I know 'tis best, He in my sorrow will sustain.

Home is there but you have gone; The vacant chair beside the grate Tells of the rest that you have won; You will for me no longer wait.

No longer will you watch for me, Nothing in the lamp's dim ray; No longer your kind face I'll see, 'Till Homeward I shall wind my way.

OWENS-CRAWFORD

On Thursday, June 26, the home of Mr. and Mrs. Wilfred Crawford, Royalton, was the scene of a very pretty wedding when their eldest daughter, Helen Kate, was united in marriage to Charles West Owens in the presence of a number of guests.

The ceremony was performed by Rev. F. Keirstead. The bridal couple stood under a pretty floral arch on the veranda, which was pretty in a new dress of vines and wild flowers. While the bridal chorus was being rendered by Mrs. Harry Owens the bride descended the vine-trimmed stairs on the arm of her father to the awaiting groom. The bride was very pretty in a white organdie dress trimmed with lace and silk ribbon. The conventional veil was held in place by sweet peas. She carried a bouquet of sweet peas and maiden-hair fern. After the ceremony a delightful repast was served after which the happy couple left for Beulah Camp Ground and other points of interest.

on the St. John river. The bride's going away suit was of navy blue peridot twill with black picture hat. The gifts were beautiful and numerous.

They will reside in Royalton at the home of the groom. This happy couple is loved by a host of friends who wish them a long and happy married life.

WELCOME BRITISH SQUADRON

N. B. Navy League Joined in Loyalty Meeting

The President of the N. B. Division of the Navy League, who has just returned from the welcome reception that was tendered the British squadron at Victoria, B. C., stated that the arrival of the British fleet awakened great enthusiasm, and that its officers and men were welcomed most heartily. There were seven ships in the squadron, one of which was the S. S. Adelaide of Australia. The Navy League representatives joined with the governmental and municipal authorities in meeting the ships at sea and in assisting in the carrying out of the welcome programme.

The squadron visit awakened feelings of deepest loyalty towards the Motherland. Members of the Navy League visited the warships and were accorded a most hearty greeting by Admiral Field and his officers.

The annual convention of the Navy League Council was held at Victoria, and was attended by representatives from New Brunswick, Nova Scotia, and other Provinces, also by Daughters of the Empire from British Columbia. President Sam Harris presided. Appreciation was expressed of what New Brunswick had done in extending comforts to seamen calling at the winter port. It was decided to endeavor to enlarge the membership of the League throughout Canada and to strengthen the boys' cadet brigade. It is expected that public addresses for these objects will shortly be held in New Brunswick by prominent men. The convention strongly favored the routing of traffic through Canada's ports in preference to foreign ports. Next year's Navy League convention will be held at Winnipeg.

ROGUEING POTATOES

(Experimental Farms Note.) In order to eliminate potato disease, such as mosaic, leaf roll, spindle tuber and the like, from potatoes it is necessary to rogue the diseased plants. By "rogueing" is meant the complete eradication of a plant, including the underground parts. The growers of certified seed potatoes are most interested in rogueing their fields as in doing this they are endeavoring to eliminate all degeneration diseases from their stock.

The elimination of mosaic and leaf roll, etc., should begin when the plants are 6 to 8 inches high or as soon as the diseases can be identified. At this stage the old seed piece, if still sound should also be removed in order to eliminate any chances of subsequent growth from it. The plants which have been rogued must be carried to some distance, 50 to 100 feet from the field before they will, so that any aphids which may be present on the diseased plants will not find their way back to healthy ones. It is best to burn the plants if this is convenient.

Careful inspections and rogueing of the fields should be continued until the plants are in full bloom. If the aphids are very plentiful do not rogue as rogueing at such a time will cause the spread of more disease than can

be eliminated under normal conditions. The careful seed grower is now maintaining a seed plot which will give him a sufficient yield to plant his next year's acreage. These plots of the best method of controlling degeneration diseases. A grower can rogue his seed plot more severely and inspect it oftener than a large field with the additional advantage of having practically disease-free stock for planting his next season's crop.

Any grower who is unacquainted with the various diseases should ask one of the inspectors sent out by the Division of Botany, Dominion Experimental Farm, Ottawa, or will be given assistance on application to the nearest Laboratory of Plant Pathology of the Experimental Farm system. IS WELCOMED

Prof. C. Robinson of the Pennsylvania State College, his wife and three children have been the guests this week of the professor's uncle, W. H. Sippelle, at Somerville. They came by automobile and are visiting friends and relatives in different places in this province and Nova Scotia. Mrs. Robinson's native province. They were accompanied from Upper Woodstock by his aunt, Mrs. Harry Shaw. Some 15 years ago the professor taught school at Somerville and was well known as Clare Robinson. Many friends are glad to have him back if only for a brief visit, and are glad to know how well he has got on in his chosen profession of teaching. He is a professor of geology, and is one of six who teach the same subject at this large college in Pennsylvania.

Mr. S. Macdonald, Mrs. Macdonald and son Malcolm have returned home after having spent a pleasant holiday in St. John and vicinity. Mr. Macdonald also visited Sussex and Moncton.

Mr. Cullen, Stellarton, N. S., who was relieving-manager of the Bank of Nova Scotia during Mr. Macdonald's absence, has gone to the Florenceville branch, while Mr. Williamson is taking his vacation.

Edward McSheffery and party motored to Houlton during the past week.

Mrs. Mary Holden, Milltown, N. B., and formerly a resident of this town for many years, is the guest of Mr. and Mrs. John Dugan, Church street.

Steven Mooney, B.C.L., Perth, was a recent visitor in town.

Miss Rose Lenehan spent the weekend at Aroostook Jet. the guest of Mr. and Mrs. Griffin, returning Monday afternoon and leaving on Tuesday to spend a couple of weeks at her home in Woodstock.

Mr. Hartt and party of Boston arrived here by motor on Monday and are the guests of Mrs. Stitham, Church street, and with whom his two children, Grace and Kendrick, have been spending the past few months.

George Nixon, Don Nixon and John Simpson comprised a fishing party to the Miramichi fishing grounds last week. Good luck was reported. Grise and a good number of pantron were caught.

Mr. and Mrs. Jack McCarroll and daughter, Miss Gertrude and son, Philip, motored from St. Stephen on Thursday and were the guests of Mrs. McCarroll's brother, Dr. M. E. and Mrs. Commins. They returned home on Saturday.

Many of the younger set enjoyed the dance held in Gallivan's Hall on Friday evening last. A good floor, excellent harmony and an exquisite lunch all combined to make the evening a most enjoyable one.

Miss E. M. Bohan left on Thursday to spend several weeks with friends at St. Andrews-by-the-Sea.

Mr. and Mrs. George Kilpatrick, Greenfield, spent Sunday at Day's Hotel, with Mrs. Kilpatrick's parents, Mr. and Mrs. S. W. Tompkins.

Miss Traversy, St. Thomas, is the guest of her cousin, Miss Helen Corcoran.

Miss Lillian McManus, Washburn, N. B., is visiting her cousin, Miss Mame Gallagher.

Mr. and Mrs. Whalen, Woodstock, are guests at the home of Mr. and Mrs. Henry Pickard, Piercemont.

Miss Luella Giberson who recently returned from Western Canada, is quite ill at the home of her parents, Mr. and Mrs. Alfred Giberson.

Miss Gertrude Commins and party motored to Grand Falls on Sunday. Posters have been distributed about town, announcing a reward of \$100 for the apprehension of the one or those responsible for the burning of the Galsquit highway bridge which was under construction near River de Chute. The bridge was burned last month and the reward is being offered by the Dept. of Public Works.

Charles Harrington met with an accident near Hartland on Sunday, damaging his car considerably. Mrs. Harrington was injured quite badly. Mr. Harrington and children escaped with minor injuries.

"Worth \$100 to Me Relieved Eczema and Piles"

Mrs. Peter A. Palmer, Saltburn, Sask., writes:

"Dr. Chase's Ointment has completely relieved me of eczema and piles. I also used this Ointment for my baby, who broke out in eczema. A few applications were all that was necessary in her case. Dr. Chase's Ointment has been worth a hundred dollars to me,—before using it I had spent a great deal more than that in unsuccessful treatment from doctors. We have also used Dr. Chase's other medicines, the Nerve Food having restored my health after suffering from severe nerve trouble when a girl."
