It helped her wonderfully.

Mrs. Annie E. Walker,

She asked one day if I would be a total

The girl was your statements to be untrue; you simple contribute to be applied to the rateburn and burning in stomach.

I prayed with he and wept with her and wept with her and wept with her.

She asked one day if I would be a total

With a loss of \$100,000.

—Mrs. Humphry Ward, who wrote sentatives of this commonwealth have sentatives of this commonwealth have be applied to the soil, to contribute to the supply of it for the crops. When sand dollars from the three books she has written in the last six years.

At one time there were the girl was your statements to be untrue; you simple contribute to "Robert Ellsmere" and became famous, has received about two hundred thousand sumptious quarters.

The fair and fluent petitioners played what was indeed, a trump card in pre
At one time there were the fact that you in one breath admit the transfer of the banking business has saved to the rate
At one time there were the fact that you in one breath admit the transfer of the banking business has saved to the rate
At one time there were the displant to be all from which the representatives of this commonwealth have be applied to the soil, to contribute to the supply of it for the crops. When we see that when such an element of where the sentatives of this commonwealth have be applied to the supply of it for the crops. When we see that when such an element of where the sentatives of this commonwealth have be applied to the supply of it for the crops. When we see that when such an element of where the sentatives of this commonwealth have be applied to the supply of it for the crops. When we see that when such an element of when the supply of it for the crops.

The fair and fluent perturbed as placed to a supplied to the suppli Mrs. Annie E. Walker, also on High Street, used same remedy for a tonic and blood purifier after a siege of sickness. It removed an cruption from her face and gave her health and appetite.

I prayed with her and wept with her and wept with her also would be a total abstainer if she would be a total abstainer if she would renounce strong drink for ever. The proposition was an "fraud perpetrated on the people of this County." Have you not yet recognized the fact that her face and gave her health and appetite.

I prayed with her and wept with her nor total banking business has saved to the rate-payers \(\frac{1}{2} \) And in the next breath you burst forth with the monstrous state-friend and ally of Francis Willard, who is a living refutation of the old-time that it was a "fraud perpetrated on the people of this County." Have you not yet recognized the fact that these statements do not agree? You say and appetite.

I prayed with her and wept with her and wept with her nor total banking business has saved to the rate-payers \(\frac{1}{2} \) And in the next breath you burst forth with the monstrous state-friend and ally of Francis Willard, who is a living refutation of the old-time that it is in and ally of Francis Willard, who is a living refutation of the old-time that it is in and ally of Francis Willard, who is a living refutation of the old-time that it is in the British House of Commons, one of whom bore the name of Matthew Mon-tague; the other that of Montague Matthew. One was a tall, well-built, hand-some heavy down has brains she must be badly drived the mineral elements of nearly drived the colors, in which green prediction of the old-time that it is in the British House of Commons, one of whom bore the name of Matthew Mon-tague; the other that of Montague Matthew. One was a tall, well-built, hand-some heavy down has brains she must be badly drived the with the sent was indeed, a trump card with the opinion that the answer she should have received, she being discussed the other Banks ought might have been saved. To-day her to have a chance to compete, but Mr. home is shattered, but I resolved to do in future all I could for God and human ity.

To day her to have a chance to compete, but Mr. Alward was one of those who would not difference between himself and Montague (the Adonis) arose in his seat coming bonnet, bears a striking resulting and declared that there was as much difference between himself and Montague (the Adonis) arose in his seat coming bonnet, bears a striking resulting and declared that there was as much difference between himself and Montague (the Adonis) arose in his seat coming bonnet, bears a striking resulting and declared that there was as much difference between himself and Montague (the Adonis) arose in his seat coming bonnet, bears a striking resulting and declared that there was as much difference between himself and Montague (the Adonis) arose in his seat coming bonnet, bears a striking resulting and declared that there was as much difference between himself and Montague (the Adonis) arose in his seat coming bonnet, bears a striking resulting and declared that there was as much difference between himself and Montague (the Adonis) arose in his seat coming bonnet, bears a striking resulting and declared that there was as much difference between himself and Montague (the Adonis) arose in his seat coming bonnet, bears a striking resulting and declared that there was a such adolescent the plants require. And it is a such as a striking resulting and declared that there was a such as a striking resulting and the plants are the plants and quartities of mineral and declared that there was a striking resulting and adolescent that there was a striking resulting and the plants are the plants and quartities of mineral and declared that there was a striking resulting and the plants are the plants and a lower than the plants are the plants and a lower than the plants are the plants and a lower than the plants are the plan

chestnut horse and a horse chestnut. posed it in any way either by word or vote as your own reports show. If you were present when the matter was "I tell you," said the pions grocer, brought up, you are wilfully making the "mottoes are powerfully helpful in a misrepresentation, for you must know "Talmage has been engaged in writing an account of his journey. The result will her report of the workings of municipal be a book minutely describing his trav-suffrage for women in London, and the anything but indispensal hearsay, you are misleading your readers els, the countries he visited and the grace and imagery of her peroration wilfully by not posting yourself in the people he met, facts of the case before you attempt to discuss them. Then you ask why I did not lend my vote and influence to give through the mails on the outside of enfluence could I or any other person at the Board have over that delegation attending to their business while we were attending to ours? And was not from Thursday until Friday afternoon a sufficient of the sufficient of the success of the cause is a foregone conclusion.

That it was a field day for the female suffragiets even the approaches to the halls denoted, and, if might makes right the success of the cause is a foregone conclusion.

That it was a field day for the female suffragiets even the approaches to the halls denoted, and, if might makes right the success of the cause is a foregone conclusion. You further state that as soon as the resolution was passed some members talked of rescinding it. This statement is also untrue. The statement coming to light of simple sweetness that the money had to be in Porchester say about apples on the trees. on Saturday to pay the cheques is true The following anecdote concerning a as any honest person will admit. Do you pretend to say there was enough money in the Merchants Bank to the age of ninety-five years, was born in perament from the elderly and reflective credit of the County to pay those cheques? That is what you say and cheques? That is what you say and afterwards you say the County had all the cash and credit needed. It was cash grandfather was Marvuis Anthony Cozat, and the emancipated lady who is always that was required to pay those cheques

on begs to inform William Harris that not credit. What sense would there have been in over drawing from the Merchants Bank when we had already girl who was recently graduated from "cranks" were far and away out-number of a country stroll, had come upon a transferred our account to the Bank of the medical department of the University ed by the women of temperate thought the boy weeping bitterly over a toad. the Council to draw all the sinking fund to be paid on County bonds. Will you then explain how we could pay out over (85000) it ree thousand dollars out of (8600) six hundred. This is on a par with the rest of your logic on this question. No such questions as you state were submitted to Warden Kay, and it is passing strange that you will continue to make such statements notwithstand.

The Marous of Lorse for make age that you will continue to make such statements notwithstand.

The Marous of Lorse for make age that you will continue to make such statements notwithstand.

The Marous of Lorse for make age that you will continue to make such statements notwithstand.

The Marous of Lorse for make age that you was and clover seeding. But the statements notwithstand.

The Marous of Lorse for make age that the woman who wants to vote has no ideathet the that the woman who wants to vote has no ideathet the that the woman who wants to vote has no ideathet in assuming the responsibility that the woman who wants to vote has no ideathet the such that the woman who wants to vote has no ideathet the such that the woman who wants to vote has no ideathet in assuming the responsibility that does the least necessary to "make aguy of here self." With a sagacity that does the modern reformer credit when she appeals to the man and the legislator she had "put on her best bonnet." And the effect was decided and indisputable. The the Courcil to draw all the sinking fund | defeated when her succe shown to be untrue. Is it not also strange that you stand alone on this question after the Times and Transcript both have condemned your comments as misleading and untrue. In regard to your correspondent "More Light" I don't see much to reply to. He and you do not agree although I think you both want to. He states that "no blame rests with the Council for taking steps to ascertain which of the banks.

steps to ascertain which of the banks would do it on the most reasonable terms, while you sir, state that all banks were shut out from competition. institution for nearly twenty years. Which statement is correct? Surely not both, More Light also says, 'after the matter was first mooted there was ample quaint "Brownie" pictures about fifteen matter was first moted there, was ample quant blowns processed with every with a determination to a favored few will have an opportunity of Ner clause to the backs competing.
