

## CAME TO SAVE INSTITUTIONS.

Strong Sermon by Rev. McKenzie of Elmira College.

Rev. Jerrold Potts Begins Duties at Cathedral.

New Rector at St. Philip's Church Last Night.

Rev. A. Cameron McKenzie, D. D., LL. D., President Elmira College, Elmira, N. Y., preached an interesting and eloquent sermon at Knox Church last evening before a large congregation. His subject was: "The time is fulfilled, and the kingdom of God is at hand; repent ye, and believe the Gospel, for the Son of man is come to seek and to save that which was lost," taken from St. Mark i. 15, and St. Luke xix. 10.

At the dawn of human history, he said, it was ordained that one should come into the land endowed with great power. He set out to revolutionize the thoughts of the people. He was opposed by social, political and religious leaders. His advent was the turning point of the human story. The Hebrews thought that all other nations were excluded from the kingdom of God, but he thought differently. Repentance is the key to personal and worldwide Christianity. There is no mystery about repentance. It simply means to change your mind, change your mind about yourself, change your mind about your neighbor. The storm centre of Christianity is the relationship of capital and labor. The laboring man inciting his fellowmen to strike and propagating discontent, severing that bond of love and good fellowship, is he loving his neighbor as he ought to? See his employer drawing \$10,000 a year. He schemes to make more by working women and children. If he would add Christianity to his religion he would look after the welfare of his employees as much as his own. They have disregarded the political economy of the Son of God for the government of the world. Christ wants men to know and to love Him; to have a more intelligent conception of His creed. God came not to this earth to plant an immigration agency to increase the census of heaven, but to save men from sin for the betterment of mankind.

Continuing, the text declares: "The Son of man is come to seek and to save that which is lost"—neuter gender, that, not those. Philosophers, theologians and Christians for two thousand years have been slow to comprehend the gospel in its fullest outreach. Mark, that which is lost, not persons but things, not individuals, but systems. Of course, the first effect of the gospel is to save the individual, but that only prepares him to become an influential citizen in the work of the new kingdom which Christ said was at hand. The genius of the gospel is to save that which is lost to the world in its every organized department—domestic, social, commercial, governmental and ecclesiastical. In this larger sense men have not come to regard the mission of Christ. He is a Saviour through a process of economic and spiritual education of individuals and systems. Christ came to save institutions. To conceive of Him otherwise is to do Him dishonor. Institutions under which men live, work and earn, from which they seek protection, are to be saved from sin, as truly as individuals. Christ's policy of civilization has been largely excluded from commercial and governmental institutions on which mankind depends for righteous service. However, those whose eyes and ears are open are discovering mutterings of resentment against such exclusion. The point where endurance ceases to be a virtue has come. There is a spirit of righteous unrest in the heart of mankind, a spiritual impulse towards divine justice that cannot be suppressed. It is felt in municipal and national governments, in commercial and educational systems. The economic principles of Jesus are leading men everywhere to repent, to change their ways of thinking in regard to these systems.

Mr. McKenzie is a son of Rev. Donald McKenzie, Embro, Ont., who has been fifty years pastor of that parish.

Cathedral's New Curate.

Rev. Jerrold Potts, the new curate of Christ's Church Cathedral, preached his first sermon at the morning service yesterday and made a very favorable impression. A pressing speaker, with a simple, earnest style and fluent diction, he commands attention. His theme yesterday morning dealt with the thorny path of righteousness as contrasted with the easy road of the world. Emphasizing the advantages of the Christian life, he said it is well for us to realize that the Christian life is not an easy life and for that reason it is well for us to dwell on its compensating advantages. Intellectual knowledge is attained by hard study, by denial and sacrifice. Spiritual knowledge comes in exactly the same way. Adversity is the leading of the New Testament, because it teaches that nothing can separate us from the life of Christ and makes us feel that our life is in Him, who is a man of sorrows. The speaker urged his hearers to be humble, strong and full of faith.

New Rector Preached.

St. Philip's Church was well attended by the members of the congregation last evening, when the new rector, Rev. C. B. Kenrick, conducted the services. Owing to Mr. Kenrick's illness, he did not preach a sermon, contenting himself with a few remarks on what he expected of the people of his new parish. Mr. Kenrick has not been well for some time past, and he left to-day for New York, whence he will sail for England on Wednesday, returning about the middle of July. He said he hoped that the congregation would work faithfully during his absence, which he declared was unavoidable. He would look for improvement in the work of the parish on his return.

Mr. Kenrick made a favorable impression and the members believe they have secured a worthy successor to Rev. H. J. Leake, who recently resigned to accept another parish.

The Christadelphians.

Mr. Albert Hall, late of Leeds, England, last night delivered an excellent address to a fair-sized congregation in the C. O. O. F. Hall, used by the Christadelphians as a meeting place. His subject was "From Artisan to Emperor," and while his address was brief, it was good. He spoke of the travels of the ancients in the spread of the gospel; how one would lead the whole country. As soon as that man had gone away or died another would arise and lead the Word of God to glory. A series of addresses by men of repute in the Christadelphian belief is being given in this hall every Sunday night. The Christadelphians have the largest membership at the present time that they have ever had in this city.

## UNITY SERIES.

Address on the Life of W. E. Channing.

A large and attentive audience listened to a strong address at Unity Church last evening on "The Life and Work of William Ellery Channing" by Rev. W. Delos Smith. This was the second of a series of five, which he is giving on Sunday evenings under the general title, "Leading Lights of the Liberal Faith." After giving a summary of his discourse of the preceding Sunday on "Dr. Joseph Priestley," Mr. Smith called attention to the conditions of life which prevailed in New England when Channing was born in 1780. Of the three great periods of the development of Unitarianism in America, Channing belonged to the first. As a boy he was gentle but courageous, having what might be called a religious temperament, which was shown in his strong spirituality in later years. After completing his college course at Harvard, he spent twenty months in Richmond, Va., as a tutor, during which time his conviction as to his life work was fixed. Returning to his home at Newport, R. I., he began his special course of study for the ministry, on the completion of which he became pastor of the Federal Street Church, in Boston, at the age of twenty-three. In 1819 he preached a strong sermon at Baltimore, at the ordination of Jared Sparks, the object of which was to define the position of the religious liberals of his time. He never formulated a theological system or presented an official creed. He believed in and taught the moral perfection of God, the divine Fatherhood, human brotherhood, the dignity of human nature, and that religion is natural to man.

## WOMAN'S ART

Will Hold Exhibition—Chance For Young Artists.

The Women's Art Association met on Saturday afternoon, Mrs. Calder, president, in the chair. As Mrs. Symington, the treasurer, leaves this week on a visit to England and Scotland, the secretary, Miss E. V. Rios, will act as treasurer during her absence. The outdoor sketching class, under the leadership of Mrs. Mackenzie Gore, which is free to all members of the association, will commence work soon. It was decided to hold an exhibition in October, and the association will welcome any art students, wood carvers or workers in any handicraft as members, which will enable them to share in the advantages of the exhibition. One great aim of the association is to assist young workers in art and handicraft, and enable them to gain public recognition. The fee is only fifty cents a year, but the gain is great. Any ladies or young girls wishing to join can send their names to Miss Rios, 118 East Avenue south.

A COUNTRY FAIR.

The entertainment at Stoney Creek battlefield on June 8 will be called "a country fair," and will be held afternoon and evening. It will consist of a variety of outdoor novelties. As it is to assist in paying for the battlefield, which was the scene of the final victory of Britain in the struggle of almost 100 years ago, many English sports and pastimes of the time will be revived. It will be unique in every particular.

FOUND DYING BESIDE TRACK.

St. Thomas Man Killed by a Train at Fort William.

Fort William, Ont., May 17.—George Young, a ne'er-do-well, was found lying alongside the track with a badly shattered head, and never regained consciousness long enough to tell how he received his injuries. A coroner's jury decided that he was struck by a train. The body has been sent east to St. Thomas.

The manager of the Taft Presidential canvass has announced that the Secretary for War is certain to get the Republican nomination on the first ballot.

## LINCOLN LIBERALS.

Mitchell Making Splendid Fight—Convention on 30th.

St. Catharines, May 18.—The Liberal campaign is now in full swing in the County of Lincoln, and the candidate, Reeve Mitchell, of Grimsby, is demonstrating the fact that he is a standard-bearer to be proud of. He is at work from morning till night, and the effectiveness with which he works is daily becoming more visible. Despite the fact that he has a majority of several hundred to overcome, he has not appeared in the least discouraged, and is conducting a very clean but most aggressive fight against the Conservative party in the old county. A very fine meeting was held at Queenstown on Friday, and this week Mr. Mitchell will be at Niagara on Wednesday and at Port Dalhousie on Thursday. The Liberal committee rooms are constantly open and unusual enthusiasm is being displayed by the electors. The whole riding has been thoroughly organized and the workers every subdivision are many, and all are very enthusiastic. Mr. Mitchell is not trying to reduce Dr. Jessop's last majority; he is determined to be elected as a follower of Mr. MacKay. He is a native of the western portion of the county and is one of the best and most favorably known men in the whole electoral district of Lincoln.

The county association is pushing the plans for the convention to be held on Saturday, the 30th instant, when a candidate will be nominated to oppose Mr. E. A. Lancaster for the seat in the Commons. The Liberals of Lincoln were never as united as they are to-day. They have several strong men in view, and it is considered that any of them can defeat the sitting member and redeem the county for Sir Wilfrid Laurier.

JUVENILE TEMPLARS

Have Surprise Visit From L. D. of Adult Lodge.

There was a fairly large turnout of the Juvenile Templars on Saturday afternoon at the weekly meeting in the C. O. O. F. Hall. Mrs. D. B. Smith, superintendent, presided, assisted by Dean Boniface, C. T. Before dropping into harmony the superintendent, in a short address, praised the children for the great interest they were all taking in the work of the temple. An excellent programme was then submitted, including songs by Mrs. M. E. Bradford, Miss Mary Wrench and Nellie Morrison; piano solos by Lizzie Smith and Walter Seddon, while Gregory Bradford, Wallace Dunsmore and Fred Ambrose each gave a temperance reading. Short speeches were made by F. S. Morrison, G. C. and Robt. Morrison, D. G. C. T. The latter was a surprise and welcome visitor to the meeting. Next Saturday the Chief Templar will entertain.

An Outbreak Among Troops on the Indian Frontier.

A report issued by the Indian Office this evening shows that the enemy most to be feared in the campaign is cholera, an outbreak of which among the British has claimed 27 victims.

## AMUSEMENTS

Cohan & Harris' comedians will present that internationally successful comedy, "Brewster's Millions" at the Grand on Wednesday. It is with due regard to the "eternal fitness of things" that "Brewster's Millions" is called a comedy for it embraces not only the most ludicrously laughable "situations," but bristles and fairly bubbles over with the brightest and cleverest comedy dialogue. In the original story as written by George Barr McCutcheon these qualities were largely responsible for the enormous success of the book. Much humor, which is apparent only by actual delineation was naturally sacrificed on the altar of descriptive literature. This was evidently apparent to Messrs. Winchell Smith and Byron Ongley, who so cleverly transplanted the book to the stage. The scenes so graphically described by Mr. McCutcheon, have been placed before the footlights in so realistic a manner by producer Frederick Thompson that one marvels at his undoubted cleverness. Seats are now on sale.

At the Savoy To-night.

The Summers Stock Company which opens at the Savoy to-night presenting "The Wrong Man" an hilarious comedy in three acts, will doubtless play to big business throughout its engagement. The offering selected for opening week is one of the funniest comedies of the repertoire in which this clever and capable company appear. The plot is so woven as to permit of many complications, funny in the extreme, and is worked up to a splendid laughing finish. Pleasing vaudeville numbers will be seen between the acts and the indications are that it will be the best popular priced amusement Hamilton theatre-goers have had offered to them yet. There will be matinees on Wednesdays and Saturdays.

"Alice-Sit-by-the-Fire" the best of the Barrie comedies, with clever Roselle Knott and an exceptional New York cast, will be the attraction of undisputed merit at the Grand on Saturday afternoon and evening. Miss Knott is famous for her excellent work in "When Knighthood Was in Flower," of which the public has not yet ceased talking. "Cousin Kate" and numerous other successes, Miss Knott is supported by Andrew Robson, Ernest Truex, John MacFarlane, Miss Viola Knott, Miss Isabelle MacGregor and others, and carries a complete New York production. Seats will be on sale on Thursday.

"The Lion and the Mouse" a play that made a hit here last season, enjoyed by large audiences at the Grand on Saturday afternoon and evening. The company was a good one, the principals with one exception being the same as presented the play here before. There was a new leading lady in the cast—Miss Edith Barker as Shirley Rosemore. Miss Barker had a very pleasing stage appearance, but otherwise was no improvement on her predecessor.

New Operatic Star.

London, May 18.—A new operatic star has appeared in London's musical firmament in the person of Miss Edith Walker, the American singer. The London morning papers express the highest praise of her assumption of the part of "Isolde" at Covent Garden on Sunday.

## CORNER STONE.

Presbyterians of Dundas Have Laying To-night.

Dundas, May 18.—The corner-stone of the new Presbyterian Sunday school building will be laid with appropriate ceremonies at 7 o'clock this evening.

The regular monthly meeting of the Board of Education will be held this evening, when preparations to begin the new High School building will probably be the most important item of business. Engaging an architect will likely be the first step on the way.

Fred Hobson, of Winnipeg, is home on a two months' vacation.

Gray Messrs. Mansell, Methodist, and Gray exchanged pulpits yesterday morning. In the evening the Methodist pulpit was occupied by Rev. Mr. Smith, a retired minister, formerly of Copetown, now living in Dundas.

George Cartwright, of Crescent Valley, B. C., is a visitor with Oliver Hobson. They were friends of former days, and had not seen each other for fifty-five years.

C. B. Lindsay, of Quebec, is the guest of Rev. Mr. Mansell.

KING MANUEL'S CHOICE.

Portuguese Monarch Refuses to Wed Foreign Princess.

Lisbon, May 17.—The Mundo prints a romantic story about King Manuel's attachment for the young daughter of a lady-in-waiting to Queen Amelie, which threatens to disrupt the matrimonial plans which are being laid for him, King Carlos and Queen Amelie were fully aware of the fondness of Manuel when a Prince for the girl, who is connected with the highest Portuguese nobility, but they considered it simply a childish fancy.

Since Prince Manuel's unexpected accession to the throne a suitable alliance with a European royal house is regarded as a necessity of State. Queen Amelie and the Duke of Oporto have been casting about to find an available Princess, both favoring one of English extraction, because of the close relations between the countries. A few days ago they were openly canvassing the matter in the King's presence when to their great surprise he suddenly announced as his unalterable choice his early love and proclaimed his determination to marry her or nobody.

Remonstrances on the ground of reasons of State were without effect, and as a consequence the lady-in-waiting and her daughter will be asked to go abroad in the hope that a long separation will cure the King of his boyhood's love.

Dr. E. M. Cook, of Toronto, convicted on Friday of committing an illegal operation, was remanded for sentence until the September Sessions by Judge Winchester on Saturday. His counsel, Mr. Hartley Dewar, K. C., appeared on his behalf, and asked for a delay in order to prepare an appeal to the High Court on several grounds.

## BILLION DOLLARS.

U. S. Congress Appropriations Will Leave a Deficit.

Washington, May 18.—The sixtieth congress will have earned the title of "a billion dollar congress" at its first session before adjournment is taken at the end of this week. It is estimated that the total appropriations will reach the enormous sum of \$1,025,000,000 which is said to be the largest amount ever appropriated at a single session.

These appropriations for the fiscal year begins, July 1, 1906. It is too early to give anything like an accurate estimate of the revenues of the Government during that period of twelve months, but members of the appropriation committee think they will run somewhere between \$850,000,000 and \$900,000,000. This would mean a deficit of between \$125,000,000 and \$175,000,000. Chairman Taft, of the House Committee warned the house last week that the deficit would reach \$150,000,000 and if this prediction is fulfilled, the surplus now in the treasury will be wiped out by June 30, 1909, inasmuch as at the end of this fiscal year there will be a deficit of between \$60,000,000 and \$95,000,000.

STILL THEY COME.

Budapest, May 18.—The recent warning to intending emigrants, issued by the Minister of the Interior, that the economic situation in America had not shown improvement sufficient to give prospect of obtaining work, has failed to check the outflow from this country. The Minister now announces that emigrants who have gone to America since January 1 last will not be given the privilege of returning to Hungary gratis.

BANK SUSPENDS.

Pittsburg, May 18.—The Allegheny National Bank suspended to-day. Shortly after 9 o'clock the following notice was posted on the door: "Closed by order of the comptroller and placed in charge of William T. Folds, National Bank examiner." At the time only a few depositors were about the institution.

EMPEROR INDISPOSED.

Vienne, May 18.—Emperor Francis Joseph is again slightly indisposed, and this has made necessary the postponement of the audiences arranged for to-day. Court officials, however, say there is no reason for anxiety.

FRENCH DUKE DEAD.

Paris, May 18.—Eugene Francois Maurice Henri, ninth Duke of Harcourt, died here yesterday. He was born in 1808.

One Million Dollars
