licans. THE DOMINION REVENUES ...

None of us torgets the prophecies that have been made on every stump in Canada: that if the people voted for the National Policy, trade would wither away and die; and the nation would become bankrupt. The people however voted for the N. P. and carried the N. P. Then because it did not make apples grow on cherry trees. and beget figs on thistle stalks, in a quarter of a growing season, it was left the country whether he was flee the little picture papers, and reviled their patronage stopped.

and a change which has stricken the slanderers of the Government dumb as have been running this town long sticks. The Custom Houses now are beginning to speak up, and give us differ from them in politics. But they nines—which no sophistry can twist have lived to the end of their triumph. written to the "German Meiora have lived to the end of their triumph." into sixes. Each month shows an We want a middle district man apincrease of home made goods; while the exports are far in excess of the imports. Let us take the returns tainly not a Grit. We want a man appointed road commissioner; he must if possible be neutral in politics, ceritainly not a Grit. We want a man ingel of the virgery.
