WINTER'S trying conditions so affect the skin that at about this period it often breaks down. Skin "breakdown" is shown by the appearance of pimples, rashes, ulcers, or red patches.

When you go out, does your skin itch or smart? Have you red blotches under the skin, which give your face patchy, unpleasant appearance? Or perhaps you have some skin complaint not on the face or neckhidden from sight, yet which causes you hours and hours of pain? Some patch of rash, or sores due to blood-poisoning, which hitherto have defied all your attempts at cure? If so, don't delay in applying Zam-Buk. The herbal medicinal properties of Zam-Buk are so perfectly and uniquely blended that the skin can absorb them at once, and thus the cells are stimulated to
