The Gatlin Treatment EST. 1900. For Drink or Drug Habit

The results accomplished by the Gatlin Treatment have caused the establishment of Institutes throughout the world for the cure of the liquor and drug habits. This great treatment quickly and permanently removes the craving for stimulants, tones up the entire system, placing the patients in the same or better mental and physical condition as before the habit was formed.

The Gatlin Treatment is administered without hypodermic injections, contains no powerful nerve-racking drugs, nothing in any way harmful, is quick, certain and lasting in its effects. Through its efficiency thousands of men and women have been permanently cured. Special treatment will be furnished those who prefer taking treatment at home. For complete information sent in plain envelope, address—
