Have You Seen the
JEWETT CAR?
THE JEWETT IS PAIGE BUILT.

The new Jewett is of Paige conception, designed and built by Paige engineers and mechanics in the Paige shops. From its Paige origin the Jewett inherits those unmistakable marks of Quality, characterizing the work of a group of men, who for ten years past, have been building the fine six-cylinder cars, bearing the Paige monogram.

Let us demonstrate to you its remarkable power and quality—5 passenger touring—\$2200; Sedan \$2850.

These three representative issues continue to look good to us for early appreciation. B. & O. advanced \$5 from our earlier recommendation. Chile also has stiffened two points, and Sinclair made two points from recent low of \$29.62.
