A COLD WINTER PREDICTED.

Our severest winter months need have no terrors for those who have their homes heated with a HECLA PIPELESS FURNACE.

This furnace is well known in Newfoundland, has been thoroughly tested in many homes during past two winters, and in every case has demonstrated its ability to heat every room in the house comfortably during the coldest weather.

Remember, it is guaranteed without reserve. It is sold with the guarantee of the makers, to give entire satisfaction. There is a money-back clause in our guarantee which absolutely protects you. Price within the reach of all. Let us talk over this vital matter of heating.
