#### Eleven Million

People suffered accidents last year in the United States, and each one of them thought they would not be injured.  
Some were instantly killed, others maimed for life, while many only recovered after a costly period of enforced idleness.

This Company operating in 237 cities, was on the risk in many of the above cases, and paid its obligations promptly and generously, and we can do the same for YOU to-day, and every day.

The cost of this PROTECTION is so low as to be absolutely insignificant in comparison with the BENEFITS it affords. Ask us.
