An enormous number of people are weak, nervous and ailing, always complaining and doctoring, simply because they have committed the great American crime against their health—because while indoor life, overwork and improper diet have exhausted the iron from their blood, making it thin, pale and watery, they have made no effort to replace this iron which the blood must have to keep them well and strong. Harvey & Co's bakery met with a

painful accident at the plant yesterday, and is now lying at the General Hospital due to the injuries received. Mr. Sullivan was engaged working the hard bread mixer, and whilst in the act of turning off the power, his left
