THE RUSSELL

A FEW REASONS THAT MAKE IT SUPERIOR TO ALL COMERS.

4th -Truth is the essential of each part.

2nd—The RUSSELL WATCH being made on correct and scientific principles, it must follow as a 3rd — Each part of which the RUSSELL WATCH is composed is a reflex of the perfect machine hich, under skilful direction, it is produced:

64h—Reproduction, as regards watch work, is simply an application of the principle that "things are equal to the same things are equal to one another," and if there is any ment, the RUSSELL ATCH possesses that men't to a demonstration.

8th The RUSSELL WATCH stands pre-eminently above all competitors for public favor and 9th—Proofs of the foregoing—the universal testimony of all Watchmakers who have sold, and the positive statements of the thousands in Europe, the United States and Canada, who have worn the RUSSELL WATCH.

TESTIMONIAL To Robert Cuthbert, Watchmaker, Wyndham Street, Guelph. If Society was as perfect in its organization, and was as obedient to the dictates of truth as the RUSSELL WATCH I bought from you is in indicating time, evil would be swallowed up in good, and harpiness would become menotionus.
