NEW PAINT SHOP.—We direct attention to the advertisement of Messrs. Humphries & Reynolds, who have entered into partnership as painters, glaziers, paper-hangers, &c., and being long and favorably known in Guelph, we doubt not they will receive a liberal support.

A COMING TREAT.—The Good Templars are completing arrangements for an entertainment in their hall next Monday evening, 15th inst. All the musical talent that it is possible to obtain will be secured, and in addition to the customary readings, recitations, music, &c. A programme will take place during the evening, ice cream will be provided at a moderate cost. Admission ten cents.

SOMETHING LIKE A CIRCUS.—The cheap goods displayed by Geo. Jeffrey yesterday, created quite a furore among the eight-seeking community. A continual flow of custom from early morning until closing time was the result, and no wonder; silk parasols for 25c, and dress goods for 25c, worth 50c, are not to be had every day. Hence the rush.

PRIMITIVE METHODIST CHURCH.—The following are the names of ministers to be sent to the Guelph District: Guelph, E. Middleton; Peel, R. Hassard; Hawkesville, J. Walker; Minto, C. Matthey; Brant, G. Scott; Kincardine, G. Watson; Jubilee—R. Patterson; Arthur, A. Knapp. The Rev. Geo. Wood, the present esteemed pastor in Guelph, goes to Toronto.

THE BRIGADE CAMP.—We learn that Mr. Wm. Hood has agreed to give the use of the race course for the Brigade Camp for a few days, which we feel sure the Town Council will not grudge to pay. The quarter-master has telegraphed to Col. Taylor that the ground has been secured, and it may now be considered certain that the camp will be here on the first week in July.

THE EMINENT TRAGEDIAN.—Mr. T. C. King, who has attained such a well-deserved popularity in London, England, and who is making a very successful tour through Canada, has arranged to visit Guelph on two evenings. On Saturday evening he will appear as Richieu and on Monday evening he will sustain the character of Hamlet. Mr. King will be supported by the Theatre Royal Company from Montreal. We predict an appreciative audience on both these occasions.

FOR THE OLD COUNTRY.—Mrs. Adam Robertson, Mrs. Jas. Barclay and two children, Miss Young, sister to Mrs. Andrew Armstrong, Mrs. Morrison of Woodville, and another lady and two children from the same place, leave Guelph to-day for the old country. They sail from New York on Saturday by one of the Anchor Line steamers. Mr. F. Gauhan also leaves to-day, and will sail from New York on the Anchor Line steamer Victoria on Tuesday. They all engaged their passage through Mr. Jas. Byce, of the Telegraph and Express Office, agent for the Anchor Line in Guelph.

COMPLIMENTARY SUPPER.—The departure for a time of our fellow-townsmen, Mr. Frank Gauhan, was the occasion of a supper in his honor at Deady's restaurant on Tuesday evening. The chair was occupied by Mr. Denis Coffey, while Mr. Wm. Allan was voted to be the vice-chair. Mr. Gauhan's sterling character as a business man was the subject of short speeches by Messrs. Geo. Robbins, Joseph Heffernan, F. J. Chadwick and the Vice-Chairman. After a very enjoyable time the company separated. Mr. Gauhan leaves Guelph to-day (Thursday) for Ireland, via New York.

MEXICAN BEQUEST AND GIFT.—The Wesleyan Church in Canada has just been made the recipient of a noble bequest, and equally noble gift. On Wednesday the executors of the late Edward Jackson, of Hamilton, sought an interview with the Conference, and intimated that that gentleman had bequeathed \$10,000 for the endowment of a Theological Chair in Victoria College. Following the presentation of the cheque for this amount one of the executors handed a letter to the President from Mr. Jackson's widow, enclosing a cheque for \$10,000 more, which is to be applied the same way as the bequest, or for any other purpose in connection with the College which may be thought desirable. Such large-hearted liberality deserves to be recorded. We may add that this bequest of Mr. Jackson's was but the crowning act of a long series of generous gifts which he largely poured into the lap of the church with which during his long and useful life he stood connected. In this respect he is being worthily followed by his widow.

The horses became unmanageable, upsetting the wagon, and causing injuries to the spinal column that proved fatal within two hours. On Tuesday evening, as Mr. J. Yule, of Wawanosh, was unloading lumber at the Clinton station, a train arrived, which started his horses, also a second team. Mr. Yule attempted to stop his horses, but was knocked down; both teams passed over him. He was taken to Turner's Hotel and every attention paid him, but his injuries were so severe that he died to-day at noon on Wednesday.

EXPORTATION OF CANADIAN FRESH MEAT.—A company has lately been formed in Britain with a capital of £200,000 in 20,000 shares of £10 each, to export fresh Canadian beef to the English markets, and prepare various tinned meats and a pure alimentary fat, named "Lambic," at an establishment situated either near Richmond or Sherbrooke, P. Q. Captain Smith, of the steamship "Scandinavian," who is a director of the Company, yesterday gave a number of representatives of the press an opportunity of tasting and inspecting a variety of preserved meats, put up by Mr. Johnston, Edinburgh, Scotland. The companies have purchased and have engaged him to act as manager of their works here, where they expect to turn out preserved meats at one-half what they cost in England, and of equal flavor and quality. Fresh beef, if maintained, can be purchased wholesale here for from 2c to 7c per lb., say 3d. The freight carriage on the passage to Europe would be less than 1d per lb., which, enjoining the meat retailed for \$1 per lb., would give a profit of 4d. The company is going to work as soon as possible, and will inaugurate a new branch of industry in Canada which is deserving of great success.

The largest, though not the heaviest, gun of which we may have any accurate description, is the Great Kremlin gun of Moscow. An inscription on it shows that it was made at Moscow by Andrew Tshupin, in the year 7094, being the third year of the reign of Theodore Ivanovitch, which corresponds to the year 1586 of the Christian era. The dimensions are: Total length, 18 ft.; exterior diameter, about 48 in.; and calibre, 36 in. The weight of the cannon is 97,000 lb. All such cannon were originally intended for throwing stone balls; and after the idea was conceived of casting metal balls, they were fired in the old cannon, many of which were thus destroyed.

CAPT. PRINCE took leave of the Toronto Police Force on Wednesday. He resigned to take charge of the Central Prison. Frank Draper succeeds him as Chief of Police.

Kidnapping in Mount Forest.

On Sunday last our village was thrown into a state of excitement, by the announcement that a man named William Falconer had entered the house of Mr. R. Kilgour and carried off a little boy about three years old. The particulars appear to be as follows:—A few years ago a young man, named as above, a tailor by trade, married Mary, the youngest daughter of R. Kilgour, Esq., Reeve of this village. They lived together for some few years, and a son, the object of the present escapade, was the result. Matters do not appear to have continued satisfactory, and about eight or nine months ago they separated, Mrs. Falconer taking her son and going to reside with her parents, and Falconer himself leaving the town for other parts.

Matters remained, we believe, as above until Sunday last, when Falconer and brother appeared on the scene, with a team and buggy. It would appear that they watched until all the male members of Mr. Kilgour's household had gone to church, and they were sure of none being at home but Mrs. Kilgour. Falconer himself then walked up to the house and round to the back door and knocked. The object of his search came to the door, it was but the work of a moment, and the little fellow was in his arms and carried off to the street. The brother by this time had driven up with the buggy. The child was put in and the brother drove off, Falconer himself running after and jumping in. Mrs. Kilgour also came out just as the child was taken up, and ran, taking hold of Falconer's coat, but he shook her off and ran away. The alarm was soon made, and Mr. Kilgour and some called out with the buggy. The child was put in and the brother drove off, Falconer himself running after and jumping in. Mrs. Kilgour also came out just as the child was taken up, and ran, taking hold of Falconer's coat, but he shook her off and ran away.
