In 1851 he became assistant superintendent of the central division, from Kingston to Stratford, but in 1853 he resigned and became general superintendent of the Credit Valley Rallway. He then became connected with the Toronto, Grey and Bruce Railway, which later became part of the C. P. R. In 1858 he became general superintendent of the western divisions.

The Retirement of C. P. R. Vice-President Announced at Winnipeg Banquet.

Sir William Whyte, vice-president the C. P. R., in control of western lines, was officially announced here tonight by Sir Thomas Shaughnessy at the banquet at the Manitoba Club, the banquet at the Manitona Chilo, given in honor of Sir William Whyte of the leading citizens of Winnipes by the president, at which about 125 were present. Coupled with the announcement of Sir William's retirement came the important news that he has been elected a member of the board of directors of the C. P. R. board of directors of the C. P. R.
In expressing regret at the severance of Sir William's active connection as an official of the company,
President Shaughnessy said that three
years ago Sir William reached the age
when, under the regulations of the
company, he should have retired, and
that it was only at his, the presithat it was only at his (the president's) personal solicitation that he consented to remain in office for a few years longer. A short time ago Sir William had notified him that the time had arrived when he must insist on being relieved of his duties. Sir Thomas rejoiced to be able to an nounce that the company was not altogether losing the benefit of his experience, as he would continue a firector, having been elected to be able to a director, having been elected to be been elected to be board at its last meeting.

Sir William's retirement takes effect in Sept. 30. It is understood that his future plans are indefinite, but that he will continue to live in Winnipeg.
