STRENGTH OF RECIPROCITY WON FIGHT, SAYS HAULTAIN

Sask. Opposition Leader Can- a good many people supposed, stronger, I think, than even Liberals themselves bedid in Regard to Result of Election.

was very strong in Saskatchewan last autumn, and I always wondered why the Government did not go to the country much sooner. I said openly to my friends last spring that if the Government were to go to the country then we would be wiped out of existence. I regret very much that some of my old friends in the Legislature have been defeated. With Dr. Elliott I have been associated for four-teen years, and with Mr. Gillis for eighten years, I attribute the Liberal victory almost entirely to the strength of reciprocity in Saskatchewan." Regina, July 12.—Mr. Haultain, seen this morning by a press representative, was looking fit and well and did not appear to be down-hearted or disconcerted by defeat.

"The outstanding feature, of course," said Mr. Haultain, with a smile, "is that we are beaten. As far as I can see, the reciprocity idea was much stronger than

The Thomas Glazed Cement Sewer Pipe

The desirability of the use of concrete for sewer pipes has been recognized by Municipal Engineers for a number of years, but, owing to the expense of manufacture by hand, a pipe could not be manufactured to compete in price with the vitrified clay pipe. This has now been overcome by the invention of the Thomas Glazed Cement Pipe Machine. Cement pipe can be made 30 per cent to 35 per cent cheaper than clay pipe by this machine, and the Machine.
