### Beyond the Seas. From the Novel Review.

Reyond the sea, beyond the sea, My heart is gone far, far from me; And ever on its track will flee And ever on its track will nee My thoughts, my dreams, beyond the sea.

Beyond the sea, beyond the sea, The swallow wanders fast and free; Ob, happy bird! were I like thee, I, too, would fly beyond the sea.

Beyond the sea, beyond the sea, Are kindly hearts and social glee; But here for me they may not be, My heart is gone beyond the sea. -THOMAS LOVE PEACOCK.

Another prophecy assures us that the sleeveless ball gown will again obtain bird and of birds' wings, are the trimfeshionable recognition for which the few fashionable recognition, for which the few mings par excellence-ostrich plumes dis- been the wonder of all who were women who have beautiful arms will rejoice and be glad.

fine cloth with a rolling collar simulating the dress suit of men, but daintily feminised by a waistcoat of gaily flowered brocade, with a cravat of ivory lace, and full lace ruffles in the sleeves.

From the signs given at Cowes, the Grand Prix, Ostend, and other places and præ-fashionable clothes, it would carded for the rich and elegant long cloaks which are now out of favor.

All sorts of rumors are afloat concerning the coming mode. One learns from one The Queen set the seal of approval upon authority that lace is still to be among our idols, but not the coarse meshed varieties in which we have invested our substance, but the finer and more delicate patterns but the finer and more delicate patterns but the finer and more delicate patterns.

Dr. Williams' Pink Pills—probably the subaltern in army or navy and their wives, law, and, though we abominate fussiness, still a place for everything and everything above their respective chiefs, should these bear ever so plebian a name.

Notice—The People's Auctioneer.

Notice—The People's Auctioneer.

DARTIES WISHING TO SELL WOULD bear ever so plebian a name. which we may have been fortunate enough to save among our treasures.

Feathers are to be tremendously fashiona contrasting color, and quills at the side.

It is decided already that the feather boa is to be with us again, longer, fuller and fluffier than ever. There is nothing prettier or more generally becoming, the only drawback being that these charming adjuncts of a cool weather costume are awfully expensive, notwithstanding the abundance of coque plumes on Long Island and the ostrich farms of California.

What good does fretting do? It increases only with indulgence, like anger or appetite. It deringes one's temper, excites unpleasant feelings toward everybody and confuses the mind. It affects the whole person, unfitting one for the proper completion of the work, the trifling interruption or disturbance of which started the fretf ul fit.

blouse, with broad sleeves and gathered fulness, but metamorphosed in laces and it takes on an air of grace and elegance, and becomes attractive and charming.

The number of women duellists has been cently retired to a lonely spot and fired shot elsewhere. after shot at each other until one of them, a maiden of seventeen, was seriously wounded. Commenting on this affair, the St. James' Gazette remarks editorally that their eyes and fired once wildly, and would rich jewel is lost in concealment.

# English Girls Growing Taller.

From the Hospital. "Have you noticed," said a gilded youth in Hyde Park, "how much taller the girls have been the last few seasons than formerly?" The remark was just, and though it did not seem to strike the critic, the reasons for the change is obvious enough. These tall girls, with their graceful figures and free movements, have had an education in gymnastics which has developed them to a point of physical perfection of which their mothers never dreamed. A recent critic complained that little women had "gone out" in fiction, and perhaps this has happened because to a great extent the little women has gone out in real The new "tunic" is not unlike the un- life. So much the better, for though in gainly thing known as a Chinaman's stories and perhaps in courting days there is something fascinating in the heroine's bird-like fluttering, in her nestling timidly silk.
