## MAIL ORDERS

We solicit out of town orders which  
receive our personal attention. The  
length of time taken to fill orders is  
governed very largely by how busy we  
are in the department of our factory  
in which the particular goods are  
made. While we have exceptional  
facilities for promptly turning out  
goods, it is important to place orders  
as far ahead as possible. Orders are  
filled by us in the rotation in which  
they are received, and customers can  
always depend on our doing everything  
in reason to give prompt despatch.

## NEWFOUNDLAND SENDS HER THANKS.

Mayor Andrew has Received Of-  
ficial Receipt and Thanks  
For Contribution.

His Worship Mayor Andrew has re-  
ceived letters of thanks from the Com-  
mittee of the Newfoundland Marine  
Disasters Fund, the donation of \$547.  
82 from this town being gratefully re-  
ceived. The letters speak for them-  
selves.

St. John's, Newfoundland,  
May 13th, 1914.  
A. A. Andrew, Esq.,  
The Mayor,  
Campbellton, N. B.

Dear Mr. Andrew:—  
Yours of 6th inst. enclosing draft  
\$547.82 contribution to the Marine Dis-  
asters Fund received. I have forward-  
ed the funds to the Treasurer, R. Wat-  
son, and enclose his letter acknowl-  
edging same. Am also sending you by  
this mail copy of the "Daily News" in  
which it is officially acknowledged and  
which also contains an editorial by the  
Editor headed "Read upon the Water-  
ers" this I have marked.  
The people of St. John's appreciate  
your donation very much as they re-  
alize that you have hardly yet recov-  
ered from your troubles of 1910. This  
disaster which has befallen the seal-  
ing fleet is a severe blow to the out-  
ports, in some small places all the  
male population being swept away.  
I am,  
Yours sincerely,  
R. H. ANDERSON  
May 12th, 1914.

Dear Mr. Young,  
Kindly convey to Mayor Andrew  
and the citizens of Campbellton, N. B.,  
the hearty thanks of the Relief Com-  
mittee for their generous contribution  
of \$547.82 to the Marine Disasters  
Fund, received by me to-day, and  
which will be officially acknowledged  
in to-morrow's paper.  
Yours faithfully,  
R. WATSON,  
Hon. Treasurer  
Marine Disasters Fund.  
J. A. Young, Esq.,  
Assistant Manager,  
Bank of Nova Scotia.

The following editorial is taken  
from the St. John's Daily News:—  
**BREAD UPON THE WATERS.**

Some time ago Campbellton, New  
Brunswick, fell a victim to the flames.  
Through the instrumentality of Man-  
ager Anderson of the Bank of Nova  
Scotia, some funds were collected in  
this city and sent to the Mayor of  
Campbellton to relieve the sufferers.  
As soon as our own great tragedies be-  
came known, Campbellton came to our  
aid, and through Mr. Anderson, Mayor  
Andrew has forwarded \$547.82. The  
Mayor says: "My only regret is that  
I could not have had the pleasure of  
forwarding a much larger sum; but  
as you are aware, our people have not  
yet recovered from the effects of the  
conflagration which wiped our town  
off the face of the map in 1910." He  
adds that in addition to this sum of  
\$547.82, a further sum has been rais-  
ed by the Roman Catholics of Camp-  
bellton, which they will forward to the  
Bishop. In view of Campbellton's  
misfortunes, her gift is exceptionally  
generous, and merits the most cordial  
gratitude of our people. Our thanks  
are due to many a town in Britain,  
Canada and the United States, and not  
least to the little city of New Brun-  
swick, which, amid its own troubles,  
has thus given practical evidence of  
its generous friendship and sympathy.

## OBITUARY

The funeral of the late John Mc-  
Garvie, who died on Sunday last, was  
held Wednesday afternoon, and was  
largely attended. Rev. Mr. John of  
New Mills conducted the services. The  
pall-bearers were Messrs. Alex. Innes  
John Hamilton, Wm. McKinnon, Hugh  
Aitchison, Stuart Beekingham and  
James Hamilton.

Mr. McGarvie was 57 years of age,  
and though in failing health for years,  
his death came as a shock to the com-  
munity. He was a native of the Isle  
of Arran, Scotland, and came to Dun-  
deee fifty years ago, where he has re-  
sided ever since. He leaves to mourn  
their loss, a bereaved widow, seven  
sons, three daughters and two grand-  
children.

All is dear within our dwelling,  
Lonely are our hearts to-day,  
For the one we loved so dearly,  
Has forever passed away.

Gone to that bright world above  
Where sorrow is not known,  
There to meet his Lord in glory,  
With heaven for his eternal home.

## GRADUATED

Miss Jennie Windsor of Bathurst  
graduated from the Emerson College  
of Oratory. Miss Windsor has been  
very popular during her course, and  
was a member of the Student's Coun-  
cil. In the Commencement Program,  
Miss Windsor took part in the Physi-  
cal Culture Drill, one of the most im-  
portant features of the week.

## DISTRESSING FATALITY AT SHIVES ATHOL.

Young Kathleen Butler is Burn-  
ed to Death on Tuesday  
—Funeral To-day.

A distressing burning fatality took  
place at Shives Athol on Tuesday,  
when little Kathleen Butler, 8 years  
old, was burned to death. The girl,  
who has been staying with her aunt,  
Mrs. Savage, since the recent death of  
her mother, had by some way got pos-  
session of matches, and kindled a  
small bonfire out of doors. No one  
noticed the actions of the child, and  
her screams were the first intimation  
that any thing was wrong. On hear-  
ing the cries, her aunt rushed out,  
and found the child in flames. Not know-  
ing what she was doing, the child ran  
away from, instead of to her relative,  
but with the assistance of the Rev. Fr.  
Lanteigne, the child was rescued, and  
a rug thrown around her. Dr. Pinaut  
was hurriedly summoned, who did all  
that could be done for the child, but  
she died at four o'clock in the after-  
noon from her injuries and shock. The  
funeral is being held this afternoon  
from Athol, the Requiem Mass being  
sung by Rev. Fr. Lanteigne.

## LIQUOR STATEMENT PROVED UNFOUNDED

More Arrests for Drunkenness  
this Year than in three  
Years Previous.

At the time of the Local Option vote  
taken here it was currently reported  
and the statement accepted by many  
that there was more drunkenness in  
this town under local option than there  
had been under license. This town  
therefore voted for license in Ward  
III, the act coming into force on the  
first of May this year. Many of the  
townspeople were complaining of the  
enormous number of drunks who were  
seen about the streets, and as a mat-  
ter of curiosity our representative asked  
an interview with the chief of  
Police and received from him figures  
which, to say the least, of it, are a-  
stonishing. From the first of May  
to to-day there were more arrests  
of drunks than there was for the  
years 1911, 1912 and 1913 com-  
bined, and the arrests made in the  
last time for this year do not in-  
clude all the drunks who were not ar-  
rested, but who from lack of room in  
the cells could not be taken to the  
lockup. Here are the figures, compiled  
from the records:

Year	1st to 21st May	4
1912	do	3
1913	do	16
1914	do	29

A study of the figures will startle  
many, showing as it does, a doubling  
of the number each year, and  
clearly proves that the statement  
made at the time of the election was  
wrong, and there is now more drunk-  
ness than during the whole three  
years of local option.

## MUSICIAN COMING

Alexander Spencer, will arrive here  
Saturday from New York, to take  
charge as pianist for the Opera  
House. Mr. Spencer has been engaged  
for the past few years as musical di-  
rector in one of the largest musical pro-  
ductions in New York city, as well as  
having travelled through many of the  
states. Mr. Spencer will, without  
doubt, add to the quality of the Opera  
House entertainment, as he will bring  
with him all the latest popular mus-  
ical hits. No doubt Campbellton peo-  
ple will appreciate this, as it is the  
first time a musician of Mr. Spencer's  
standing has ever appeared here.

**Cheap WALL PAPERS**  
need not necessarily be  
unattractive.  
On the other hand ex-  
pensive WALL PAPERS are  
not always beautiful.

**THE prominent feature**  
of our New Wall

of the cheapest patterns as  
well as the goods of higher  
value ALL possess an ar-  
tistic and pleasing effect  
which goes far to make the

Be sure you see them. You

## TRIBUNE UPHOLDS VULGAR VAUDEVILLE.

Accuses the Graphic of Sinister  
Motives in Publishing  
Merited Criticism.

Last week the Graphic felt called  
upon to censor the management of the  
Empress theatre for allowing two  
vaudeville artists to put on in that  
house, a disgustingly vulgar act. We  
did not after we had made enquiries  
of a number of patrons, who had been  
present Wednesday evening and had  
seen the act, and one and all, without  
an exception, stated that it was not a  
fit performance to put on here. We  
wish to repeat what we told the man-  
ager of the Empress when he inter-  
viewed us last week, "that the Graphic  
would certainly criticize his house  
every time such a class of vaudeville  
was presented."

The position the Graphic took in this  
matter has been commended by all  
classes of citizens who saw the act,  
and by the clergymen of the town, who  
enquired into the matter.

It is true, that since its opening  
here, the Empress has presented a  
fairly clean class of vaudeville, but its  
manager should have kept up his  
standard, and not allowed the act as  
produced last Wednesday, and two  
previous nights, to be put on.

We know that these vaudeville acts  
are procured through a booking agent,  
and the manager has to take what is  
sent him, but he has the right to "tone  
down" the act to suit his own idea of  
what his patrons want. We claim that  
in this case the manager of the Em-  
press was remiss, and allowed the two  
young women to put on an act which  
was vulgar and degrading. If this is  
what the manager thinks is a fit class  
of entertainment for his patrons, we  
wish to inform him in all kindness,  
that he is mistaken and can assure him  
he will be more severely criticised if  
he persists in allowing such acts.

Our uptown contemporary, in its  
issue of yesterday, upholds the manager  
of the Empress, and states that the  
act was all right. We understand that  
the editor of that paper, was one of  
the interested spectators in the "bald  
headed row" and thoroughly enjoyed  
the act, and it is only natural that he  
should approve of it.

With regard to the assertion, that  
the Graphic published this "unwar-  
ranted attack" to injure the business  
of the Empress, this is not true. We  
have no reason to wish to do any in-  
jury to this house, and none was in-  
tended. We published the criticism in  
the interests of the morals of the town,  
and incidentally for the good of the  
theatre, as we trust that in future a  
more careful supervision of vaudeville  
features will be undertaken, and no  
such act be allowed upon the boards.  
This criticism has borne fruit, for the  
show put on this week by the man-  
agement of the Empress is said to be one  
of the best ever shown in Campbel-  
ton, and has won golden opinions from  
all who saw the acts.

## "JUDITH OE BETHULIA"

IN FOUR PARTS

### MARVELOUS PICTURE

In the filming of "Judith" a ma-  
jestic walled city had to be specially  
constructed with cost in the neigh-  
borhood of \$25,000. Helmet, ar-  
mour and costumes for 2,000 people,  
the principles and supernumeraries,  
had to be specially designed and  
made, at an aggregate cost of  
\$8,000. Tapestries, tents and other  
interior settings amounted to  
close on to \$4,000. One hundred  
horses and specially built chariots  
had to be secured at a cost of \$1,0-  
00, and with an expensive cast,  
many of whom receive as high as  
\$300, \$400 and \$500 a week, the  
entire cost of the production, ex-  
cepting printing and developing  
of the films, averaged close on to  
\$42,000. "Judith" is a tremendous  
production and the scenes, which  
really beggar description, well  
show the expenditure of these vast  
sums.
