ADVICE TO PARENTS!

"The childhood shows the man. As morning shows the day. "_Milton

This is only too true. Slovenly Jimmy will grow up to be slovenly Jim, and slouchy Tommy invariably develops into a full-fledged slouchy Tom.

Parents, did it ever occur to you how much you have it in your power to make or mar the future of your children? Here's the matter in a nutshell:

need not be gaudy nor costly, but take good care that it be neat and clean.

Need we say that we've always put forth our best efforts this direction? What better proof can we give of our regard for the rising generation than the pains and care we take in supplying the boys with the best and finest apparel? Unlike other merchants, whose excuse for their clumsy, ill fitting juvenile clothing is: "Oh, well, it's only for a boy," we think that Boys'Clothing should be made with the same degree of care as the garments of their fathers and big brothers.

Indeed, our great Fall and Winter Stock of Boys' Suits and Overcoats received the largest share of our attention. The reason is plain.

In Men's Clothing we only have to please the man: In Boys' Clothing, however, the parent must be pleased as well as the boy. Fortunately we know the tastes and requirements
