Hyamses had nothing to do with it. The Crown claims that Harry Hyams was given to the detectives and Crown offito pay Wells \$2500 for the loan of his life. All Aylesworth says is that he heard something of this character. He does not say that he ever heard either of the prisoners say anything about tion the Hyamses occupied in record to the fact whether he received it or Hyamses are anything about tion the Hyamses occupied in record to the detectives and Crown offitoes. Detective Inspector McMahon, Does the fact whether he received it or Hyamses received it makes no difference as a matter of law or fact in the position.

"Is he not mistaken? Was not the fact, as we have shown it to be the fact, as we have shown it to be the fact. that Dallas was then applying for \$50,000 on his life, some of it, perhaps the whole of it? About the month of November we find that Dallas Hy-ams actually had upon his life \$50,000 on his life, some of it, perhaps and the Hyams subsequently got a portion of the money. That is the Crown's theory.

"The whole scheme the Crown must rely upon nothing." Let those cases in which a little mistake would make all the difference the morning."

are correct they had killed this young man, Harry married his sister and came into a great deal of her property, and yet nearly two years afterwards we find Dallas still continuing to pay these heavy premiums; still seeking to reinstate his lapsed policies; still endeavoring to keep up these \$50,000 policies which he had taken out when there was not a breath of suspicion to the suspection, and they was taken at his suggestion, and they there was not a breath of suspicion with reference to what had taken place on the 16th of January, 1855, more than a year and a half before. And yet so hard pressed are the Crown to gather up a little suspicion that they rake up that and say this man Dallas Hyams—whether for purposes of his own or not, I shall deal with later on—only received a few thousand dollars, and we say for business purposes; that

was nothing whatever to base their assumption upon.

Not the Man to Look Back.

"Now, when we find men attempting to carry out a scheme like this we find some attempt to make it successful. The man who has murder in his heart does not put his hand to the plow and look back; the man who has the evil spirit within him which will the evil spirit within him which will be assumption upon.

"They go into the warehouse and get in some furniture. The evidence shows that time of the year. December and January, to be the dullest months of the year and little is done. The spring and fall is the time when these things are moving; and little wonder they did not do much business at that time. But we find that they continue going out and induce him to kill a young man in the prime of life, who has evil spirit enough to marry that man's sister

Lattimer writing out these sheets prothree or four mouths after-that man

The Struggle For the Lives of the Twins Still Goes On.

I say, is not the man to look back. And yet the whole of this insurance scheme which the Crown seek to gather around Harry Hyams especially arose from the fact that these men insured young Wells and Aylesworth for a small amount. Having said this, I wish you to consider it carerully. Having said just what Aylesworth said they did, say, the Hyamses dropped completely out of the insurance question and their hand was not seen again, either by way of inducement, persuasion or representation, or by

having once put his hand to the plow, I say, is not the man to look back. And yet she whole of this insurance the Department of Agriculture this afternoon from Sir Charles Tupper. Intimating that the Board of Agriculture has issued an order to the effect that sheep imported into Great Britain from Canada and the United States must be slaughtered at the port of landing on and after Jan. 1 next. This order was not unexpected by the Department. In fact it could not have been prevented except at the cost of

Effort, Begins His Plea for Harry
Hyams—Aylesworth, as Usual. Comes in
for the Lien's Share of Abuse—The
Great Trial Promises to Go Into Next
Week—Crowds Clamoring for Admission to the Court Room—Many Ladies
in Attendance.

For six hours yesterday the jury in
the great Hyams murder trial listened
to the impassioned and eloquent appeals of Mr. Johnston and Mr. Lount
on behalf of the twins who are accused of the murder of Willie Wells.
The closing scenes of this great trial
are as remarkable as those features
which have already distinguished it

icy was taken out on the life of young Wells.
It was pointed out by Mr. Johnston
that the investment of the money with
the prisoners was first spoken of by
Aylesworth himself. "Starting with
the loan of the \$3000," said
Mr. Johnston, "we find Wells and
Aylesworth himself said that when he
first went to the office at 11 King-street
west the prisoners were conducting a
mercantile agency, and that, long before Wells or the \$3000 was spoken of.
Aylesworth tells us that the money
was offered back to himself and Wells
even before it was due. Did that look
like a scheme to kill young Wells in
January, 1893?" The colecting of the
money after the death of Wells was
reverted to, and Mr. Johnston continuse of the money with
the prisoners was first spoken of by
Aylesworth himself. "Starting with
the prisoners was first spoken of by
Aylesworth himself. "Starting with
the loan of the \$3000," said
Mr. Johnston, "we find Wells and
Aylesworth thisself. "Starting with
the prisoners was first spoken of by
Aylesworth himself. "Starting with
the prisoners was first spoken of by
Aylesworth himself. "Starting with
the prisoners was first spoken of by
Aylesworth himself. "Starting with
the loan of the \$3000," said
Mr. Johnston, "we find Wells and
Aylesworth thisself. "Starting with
the loan of the \$3000," said
Mr. Johnston, "we find Wells and
Aylesworth thisself. "Starting with
