## AS A WORKING TOOL

for the student and the writer, as an authoritative reference book for schools, teachers, families, business and professional men, there is one book which offers superior advantages in the solid value of its information, and the ease with which it is obtained.

One's admiration for Webster's International Dictionary increases daily as it comes to be better known. It never refuses the information sought and it never overwhelms one with a mass of misinformation illogically arranged.

The St. James Gazette of London, England, says: For the teacher, the pupil, the student and the litterateur, there is nothing better; it covers everything.

The New and Enlarged Edition recently issued has 25,000 new words, a revised Biographical Dictionary and a revised Gazetteer of the World, 2,260 pages and 5,000 illustrations. It has just received

## Life Depends on Healthy Blood.

IS YOURS RICH AND PURE.

Blood is the soul of life. Check its formation, reduce its quality, lessen its red cells—you at once sap strength and vitality—you peril life itself.

When you strengthen the blood, make it richer in red cells, increase its solid constituents, you supply the materials that rebuild—you furnish the disease-resisting elements we call strength.

When you are weak and ailing—When appetite is poor—When mental efforts seem impossible, sleep hard to get, be sure your blood has grown poor and your nervous system in consequence is impaired.

Nothing so quickly stimulates the formation of rich, red blood as Ferrozone.

Ferrozone's action upon the digestive power is immediate—everything you eat is converted into nourishment and building material.

Ferrozone fortifies the action of the kidneys, liver and stomach, increases circulation, and by these means throws into the blood a vast store of material to build up and to strengthen.

Ferrozone by making blood and stimulating vital action, transmits to the debilitated brain cells, exhausted by toil, by anxiety, or by sickness, the strength they need.

The beneficent action of Ferrozone on the brain is transmitted through the nervous system, and all powers of the body are enormously increased.

Ferrozone enables the body to perform all its functions in a normal and natural way, and with an absolute freedom from reaction which is the most positive assurance that the body is strengthened—not stimulated.

Whether the weakness you suffer is profound or of long standing, whatever the conditions are—if the blood is impaired, if its redness is reduced, if its activity is lessened—Ferrozone is an absolute and rapid remedy.

For any condition of weakness, debility of ill health in men, women and children, you can't find so nourishing and strengthening a tonic as Ferrozone; try it, sold every where in 50c. boxes.

## Was Poison in the Tea.

Cornwall, Oct. 9.—Joshua Annable, formerly of Winchester Township, who resides near Moosejaw, Sask., recently had a narrow escape from being poisoned and a farmhand named J. Barlow was arrested on the charge of administering the poison.

Mr. Annable claims that while they were at work in the fields Barlow went to the house to prepare dinner. When Mr. Annable reached there Barlow claimed to be too ill to eat, or even drink tea. Annable took a mouthful of the tea, and finding it bitter, became suspicious. He hid the tea that was in the pot, and becoming ill, hastened to a doctor, where he got relief.

Mr. Annable held suspicions that Barlow was the guilty party in the burning of a neighbor's shack, and to this fact attributes the attempt at poisoning.

## BUILT UP HER HEALTH

## SPEEDY CURE OF MISS ECCLESON

She is Made Well by Lydia E. Pinkham's Vegetable Compound, and Writes Gratefully to Mrs. Pinkham.

For the wonderful help that she has found Zula Eccleson, 6 Erie St., East, St. Thomas, Ont., believes it her duty to write the following letter for publication in order that other women afflicted in

the same way may be benefited as she was. She writes:

"I heartily recommend Lydia E. Pinkham's Vegetable Compound as a tonic and regulator for female troubles. I suffered for four years with displacement and no one but those who have experienced this dreadful agony can form any idea of the physical and mental suffering those endure who are thus afflicted. Your Vegetable Compound cured me. Within three months I was fully restored to health and strength and now my periods are regular and painless. What a blessing it is to obtain such relief when so many doctors fail to help you. Your medicine is better than any doctor or medicine I ever had."

No other medicine has such a record of cures of female troubles as has Lydia E. Pinkham's Vegetable Compound.

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacement of organs, inflammation or ulceration can be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Her experience is very great, and she gives the benefit of it to all who stand in need of wise counsel. She is the daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Address, Lynn, Mass.
