CENTRAL CLARENCE

[From Forward]

Regret not having written you earlier, want of help, is our standing excuse for many shortcomings. One of our young men, Melbourne Brinton, has paid the supreme price to his King and Country, having fallen Dec. 12th, "Somewhere in France." He enlisted in Alberta, where he had gone to make a home for himself. He had just his lot paid for. His friends thought everything was before him. Melbourne lived with us five years, a member of the Baptist church and was loved and respected by all. We deeply sympathize with his parents and friends at St. Croix Cove, the home of his childhood.

Grandmother's Pies are done

HOW luscious they look as she takes them from the oven. Here is a kind well worth your attention, made from dried apples, small raisins and brown sugar. "Spring mince pies" grandmother called them. She had many other delicious pies and pudding made from brown sugar

—in fact she hardly used any other sugar for cooking.

Lantic Old Fashioned Brown Sugar

is just like the sugar that Grandmother used to use. It comes in Light, Brilliant and Dark Yellow, but the Brilliant Yellow is about right for most of the things Grandmother made and for your own favorite brown sugar dishes.

You should keep brown sugar in your pantry and you should use it often. It has a delicious characteristic flavor essential to the success of many dishes. It is economical, too, costing less per pound than granulated.

If you don't know how to make Grandmother's good old-fashioned dishes, no matter. We have just printed a delightful new booklet called "Grandmother's Recipes." It is devoted entirely to brown sugar goodies. Send for it to-day enclosing 2 cent stamp to cover cost of mailing and please add the name of your grocer.

Lantic Old-Fashioned Brown Sugars are made by the same firm that makes the famous Lantic "FINE" Granulated.
