

**THE CANADA FARMER.**—Cheap publications are now becoming the order of the day in Canada. The *Canada Farmer*, the most interesting Agricultural Journal in the Province, is henceforward to be issued for one dollar per year. We have before mentioned this publication, and urged upon our Agricultural friends, the necessity of supporting such a periodical in the country. The *Canada Farmer* in the Province should take it. Beyond that Agricultural matter, it is worth its present price. Take it one year, it will repay you four fold. Agriculturalists and others residing near Hamilton, wishing to subscribe for the *Canada Farmer*, can do so by application at this office. The *Canada Farmer* is issued semi-monthly, 24 numbers for one dollar.—[Canada Christian Advocate.

**THE CANADA FARMER.**—We were recently favoured with a visit by the editor of this highly instructive and extensively circulated journal. In the course of conversation we learned from the gentleman that great success so far had attended the *Canada Farmer*. It is now issued semi-monthly for \$1 a year; no farmer ought to be without it, for he will find in it every thing necessary for the improvement of agriculture, besides it is richly interspersed with well written stories of an interesting nature. Messrs. Rice and South are the authorized Agents for Brantford.—*Brantford Courier*.

**THE CANADA FARMER.**—We have great pleasure in recommending this interesting and most useful periodical to the notice of our agricultural friends.—*Palmer's Herald*.

**CANADA FARMER.**—The price of this valuable agricultural journal has been reduced to one dollar a year, which, regarding the amount, quality and variety of reading matter, makes it the cheapest, as it is admitted to be the best agricultural journal in Canada. We are glad to hear that its circulation is rapidly increasing.—*Examiner*.

**THE CANADA FARMER.**—This excellent agricultural paper is now published semi-monthly, at the low price of 18 per annum.—*Globe*.

Farm for Sale.

A FARM of 200 Acres, situated in the township of Dumfries, being Lot No. 9 in the third concession on the main road to Paris, and about 1 mile from the thriving village of Saint George; will be sold upon reasonable terms, the owner being anxious to purchase a greater quantity of land to settle his sons. There are 140 acres cleared, good fences, a good frame house built in '87, a large orchard, chiefly of grafted fruit, and living springs on both of the front corners of the lot. It is 100 rods wide by one mile in depth; thus making it convenient for dividing into two farms. The Great Western Railway is expected to pass within half a mile south of the premises. Price £1,500 all down but if the party desire it, half down will be taken, and the remainder in yearly instalments, with interest.
