A MAGNIFICENT PRESENT!
 The Proprietors of the SPORTING TIMES have much pleasure in announcing to their patrons that they have made arrangements to present a magnificent horse picture to their advanced paying subscribers for the year 1876-7. Realizing the importance of this undertaking, and being determined to offer our subscribers a picture that should in itself be worthy of the paper it represents, and which should be treasured as a work of art; after calling over the finest productions of the American press, we selected the beautiful chromo of **GOLDSMITH MAID**, printed in nine colors and innumerable shades, size 18 1/2 by 24 inches, believing, as our friends will when they see it, that it is the finest horse picture ever published in America. It is not to be confounded with the miserable pictures hawked around the country by some journals, but is really a work of high art and intrinsically of more value than we receive for our yearly subscription. She is represented standing in a box stall, striped, and in this position the picture from which the chromo was reproduced, was painted by one of the great artists in the profession in America. When varnished and mounted it is impossible to distinguish between the chromo and the original oil painting. It is a work of art worthy of a place in the finest collection in the country, and what adds to its value is the only correctness of **GOLDSMITH MAID** ever published. As a memento of the most remarkable trotting equine in the world, shortly to be relegated from the turf, it will be treasured by every horseman in the country, more especially by those who have seen the little mare in any of her races. This picture was sold by subscription only a few months ago for \$5 a piece, and copies of it were in great demand. We expect in this liberal gift to more than double our subscription list in the next three months, and if our friends who receive the picture will only show it to their acquaintances and inform them how they may get a copy, we are sure our anticipations will be realized. The picture can be procured in no other way; we do not sell it; and only give it to those who remit Yearly in advance for the SPORTING TIMES.

To meet the wishes of a number of our patrons who might desire the picture of a horse in action in preference to a still one like our Chromo of **GOLDSMITH MAID**, as a premium, we have selected the next most remarkable trotting celebrity in the world in her greatest race. We refer to **LULA** at Rochester, N. Y., October 14th, 1875, in her now noted match against Time. The picture is 22 1/2 by 28 inches, being larger than that of **THE MAID**, and is a fine specimen of the pictorial art. It is not claimed to possess the high artistic value of the latter, but still on account of being larger and in action, with a portrait of Mr. Chas. Green, the driver of **LULA**, and a view of the Rochester, N. Y., Driving Park, Judges' Stand, &c., the stables, &c., being seen in the distance, might be preferred by many to the other. We desire to accommodate our patrons to the fullest extent. All advance paying subscribers for the year 1876-7, and none others, are entitled to their choice of these pictures.
 All communications and telegrams must be pre-paid.
