

Our fair readers should give this enterprising firm a trial; we are sure they would be well pleased with the result.

A gentleman at Bristol writes:—"For six years a decayed tooth prevented mastication on the side it was situated, as well as causing many sleepless nights; but having used Bunter's Nervine, I am not only relieved of the most troublesome of all pains but can now use the tooth without the slightest inconvenience."

There would be less scepticism if men's hearts were as pure as the evidences of religion are clear.

THE CHEAPEST TEA SOLD.—The Temperance Society's 10 lb. Chest of 2s. 6d. Tea sent carriage free to any railway station in England or Wales on receipt of P.O.O. for 21s. 8d., payable to William Greaves, Cheltenham. The tea is packed by Greaves' patent process, and subdivided suitable for division between friends or sale by retail (no licence required).—BROS. GREAVES and Co., Wholesale Tea Packers by Royal Letters Patent, Cheltenham.

THE BRIGHT SIDE.—To stand before a company of immortal men and women impugning them to such belief and behaviour as shall lead them to high happiness on earth, and open for them the grandeurs of eternity; that is life for the body, that is inspiration for the mind, that is rapture for the soul.

COUGHS, ASTHMA, BRONCHITIS.—Medical testimony states that no other medicine is so effectual in the cure of these dangerous maladies as Keating's Cough Lozenges, which are sold by all Chemists, in boxes, at 1s. 1½d. and 2s. 9d. N.B.—They contain no opium or preparation thereof.

CAUTION.—BOND'S CRYSTAL PALACE GOLD MEDAL MARKING INK. By Royal Command to the Queen and Court of Holland. Instructs the million in drawing, never can be washed out, prevents theft, loss, or mistake. Enlargement of bottles. Some chemists and stationers, for extra profit, palm off colourable imitations. Genuine Label has Address—75, Southgate Road, London. Vendors are cautioned and reminded of action tried Jan. 15th and 16th, 1876.
