CHICKENS are never better than ber and November; if kept untailder weather they soon lose flesh, if every highly fed, and they cannot be kerozen without losing flavour, and unfrosthey soon spoil.

STEWED APPLES.—Par your and and place them in a steamer, with a te in each; then put the steamer over get of boiling water until soft; then take in up in the fruit dish and shake powderungar over them.

LAYER CAKE (VERY NICE)—Tecups sugar, one scant cup butter, whites four eggs beaten to a froth, one cup swedilk, three and a half cups flour, two teas is ful baking-powder, lemon flavouring. Ic in layers, and put together with icingand raisins chopped fine.

STUFFING FOR ROAST CHICKENS) no stupping for Roast Chicken) ne cup of bread crumbs, tablespoontul offer suct, a little fresh lemon peel cut fineld a little summer savory, either green dry, pepper and salt it, and mix it with agg and a little milk, press into the crop atte firmly around the neck; if needed, die the proportions. the proportions.

CHICKEN PIR. - Cut up a chick withilf pound of beef-steak; stew for half anjur in just water enough to cover the meatinin just water enough to cover the meat₁ason to taste with pepper and salt, and ke
in a deep dish about another half hour be
crust should be good and not very thin, d
do not have a bottom crust, only sis
around the sides of the dish; a bottom ct
will be soft and absorb all the gravy.

CRANHERRIES can be kept the year rol nearly, by putting them, without pick them from the stems, in a tub or jar in a cellar, and covering them with fresh spe cellar, and covering them with fresh spig water, to which vinegar has been added the proportion of three teacupsful of vine-to a pail of water. Cranberries, I also find, keep best if gathered before they a quite ripe, while they are still firm; the should be picked the end of September early in October, unless wanted for jelly, the they are best quite ripe.

PUMPKIN PIES.—Peel and remove I seeds, then boil the pumpkin in a very lit water, allowing it to stew for several hou but be careful not to let it burn. Rub through a cullender, and add sufficient swe milk to the pulp to bring it to a thick hatte add eggs in the proportion of one to a qui offthe batter, sugar to your taste, season wil ginger; line the baking dishes with go pie-crust, fill with the batter, well warme and bake about three quarters of an hot Squash pies are made the same way.

Thus "Medical Peers" save sheet. PUMPKIN PIES .- Peel and remove

Squash pies are made the same way.

Tite "Medical Press" says, that Deuker, who, during twenty-four years very extensive practice in the Children Hospital, St. Petersburg, has treated upwar of two thousand cases of diptheria, and treat all the remedies, both internal and extersive employed in this affection, has obtained it best results from the following methowhich he has employed for the last ten year. As soon as the white spots appear on it tonsils he gives a laxative mainly composed of senna, which produces an abundant evaluation. When the purgative effect has cease he gives cold drinks, acidulated with hydrochloric acid, and every two hours a garg composed of time water and hot milk in equivariation. Deuker affirms that when the treatment is commenced early it is general. paris. Dr. Deuker affirms that when the transment is commenced early it is general and rapidly successful.
