## WORKER'S SOCIAL

THE regular Monthly Social of our Workers was held Tuesday evening last. There were over fifty present, and a very profitable and pleasant evening was spent. The Lord has blessed the work in all the departments, and there is a growing spirit of unity among the workers. In fact anything like discord even in the mildest possible form is unknown in our ranks. The only desire appears to be for the advancement of the work and the salvation of souls. The "God of peace" rules, and many of the brethren experience, in its full sense, the "peace of God."
