

BETTER THAN GOLD.

A good name, good health, a good companion, and a bottle of Hagyard's Yellow Oil are among the first requisites for human happiness.

The Omaha Republican says its new waste-basket is a daisy. We call ours a sunflower, because all the aesthetic poems find a long home in its weary, wiry depths.

An article so favourably known as Hall's Hair Renewer needs no words of praise from us. It has won its way to the highest favor in the public mind and multitudes who have vainly used other preparations, have, on trying this, been made glad by the speedy restoration of abundant locks as in the days of their youth.

Some fellow has invented an opera glass which he thinks will fill a long-felt want. It holds a pint of whisky; but that will not "fill" a long-felt want.

GIVEN AWAY.

We cannot help noticing the liberal offer made to all invalids and sufferers by Dr. King's New Discovery for Consumption. You are requested to call at any drug store, and get a trial bottle free of cost, if you are suffering with Consumption, Severe Coughs, Colds, Asthma, Bronchitis, Hay Fever, Loss of Voice, Hoarseness, or any Affection of the Throat or Lungs. It will positively cure you.

In this age almost every person is a reader, and receives more instruction from the press than he does from the pulpit.

WORTHY OF PRAISE.

As a rule we do not recommend patent medicines, but when we know of one that really is a public benefactor, and does positively cure, then we consider it our duty to impart that information to all. Electric Bitters are truly a most valuable medicine, and will surely cure biliousness, Fever and Ague, Stomach, Liver and Kidney Complaints, even when all other remedies fail. We know whereof we speak and can freely recommend them to all. -Ex. Sold at 50c. per bottle, by all druggists.

Imitate time. It destroys slowly. It undermines, wears, loosens, separates; it never uproots.

A FACT.

If you suffer from Chronic Disease, and have little faith in advertised remedies and have sought vainly for a cure, consult your druggist, or write T. Mill & Co., Toronto, for proof positive regarding the merits of Burdock Blood Bitters, the Great Regulating Blood Purifying Tonic, that acts on the liver, kidneys, stomach, bowels and skin.

He who obeys with modesty appears worthy of some day being allowed to command.

Dyspepsia, liver complaint, and kindred affections. For treatise giving successful self treatment address the World's Dispensary Medical Association, Buffalo, N.Y.

They couldn't get the boy to take an emetic anyhow. But the doctor knew boy nature. He got a bootblack to propose to the boy that they get behind the barn and try the first Havana; in the course of half an-hour no emetic was needed.

ADAMS, N. Y., Jan. 30, 1882. Dr. B. J. KENDALL & Co. Gents.—Having used a good deal of your Kendall's Spavin Cure, with great success, I thought I would let you know what it has done for me. Two years ago I had a steady colt as was one raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely off, and he sold afterwards for 1500 dollars. I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Knooland's drug store, in Adams, the other day, and saw a very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can. Very respectfully, E. S. LYMAN.

Kendall's Spavin Cure.

NEW HAMBURG, Ont. Dec. 28, 1881. Mr. F. H. McCALLUM, Dear Sir, The bottle of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen years old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again. Yours truly, F. R. TUTT.
