## A MILLER'S STORY.

HE WAS GIVEN JUST ONE MONTH TO LIVE.

First Attacked With Inflammatory Rheumatism, and Then Stricken With Paralysis—Hope Abandoned and He Longed For Death to Release Him From Suffering—Last He Found a Cure and Relates His Wonderful Recovery.

Sherbrooke Gazette.

The benefits arising from the use of Dr. Williams' Pink Pills are well known to the Gazette. It is a frequent occurrence that people come into the office and state that they have been restored to health by their use. It occasionally happens that extraordinary instances of their curative powers come to our notice, and one of these was related to us recently, so astonishing in its nature that we felt the closest investigation was required in order to thoroughly test the accuracy of the statements made to us. We devoted the necessary time for that purpose and can vouch for the reliability of the following facts, wonderfully passing belief as they may appear:

There are few men more widely known in this section than Mr. A. T. Hopkins, of Johnville, Que. Previous to his removal to Johnville, Mr. Hopkins resided at Windsor Mills and was for three years a member of the municipal council of that place. When a young man Mr. Hopkins was noted for his strength and his activity as a wrest-

ler. His strength stands him in good stead for he works hard at his business, carrying heavy sacks of flour in his mill for many hours during the day and frequently far into the night. Active as he is, and strong as he is, there was a time not long distant when he was as helpless as an infant and suffered intolerable agony. About three years ago, while residing at Windsor Mills, he was attacked by inflammatory rheumatism. It grew worse and worse until, in spite of medical advice and prescriptions, after a year's illness he had a stroke of paralysis. His right arm and leg became quite useless. Sores broke out on both legs. He suffered excruciating agony, and had rest neither day nor night. He sought the best medical advice that could be obtained, but no hopes were held out to him by the physicians. "He will certainly die within a month," one well known practitioner told his friends. "He will be a cripple for life," said two other doctors. It is no wonder that, as he says, life became a burden to him and he longed for death to relieve him from his sufferings. This was in August, 1892. About October of that year he heard of Dr. Williams' Pink Pills and as a forlorn hope determined to try them. He did so, and before long was able to take outdoor exercise. He persevered with the treatment, closely following the directions, and is today nearly as strong as when a young man, and is able to follow successfully and without difficulty the laborious calling by which he gets a living.

Such was the wonderful story told the Gazette by Mr. Hopkins, who attributes his recovery solely to the use of Dr. Williams' Pink Pills, and he is willing to satisfy any person who may call on him as to their wonderful effects.

A depraved condition of the blood or a shattered nervous system is the secret of most ills that afflict mankind, and by restoring the blood and rebuilding the nerves, Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., these pills are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the rich glow of health to sallow cheeks. Men broken down by overwork, worry or excesses, will find in Pink Pills a certain cure. Sold by all dealers or sent by mail, postpaid, at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams Medicine Company, Brockville, Ont., or Schenectady, N. Y. Beware of imitations and substitutes alleged to be "just as good."

ALWAYS ON HAND.—Mr. Thomas H. Porter, Lower Ireland, P. Q., writes: "My son, 18 months old, had croup so bad that nothing gave him relief until a neighbor brought me some of Dr. Thomas' Eclectic Oil, which I gave him and in six hours he was cured. It is the best medicine I ever used, and I would not be without a bottle of it in my house."

I'll never say anything against balloon sleeves again Samantha, yours saved me from drowning.

A MAN MADE HAPPY.—Gentlemen,—For five years I had been a great sufferer with Dyspepsia; the pain in the pit of my stomach was almost unbearable, and life only seemed a drag to me. When I would go to sleep I would have horrible dreams, and my life became very miserable, as there was rest neither day nor night. But with the use of only two bottles of Northrop & Lyman's Vegetable Discovery this unhappy state has all been changed, and I am a well man. I can assure you my case was a bad one, and I send you this that it may be the means of convincing others of the wonderful curative qualities possessed by this medicine, that is specially adapted for the cure of Dyspepsia. A lady customer of mine had the Dyspepsia very bad, she could scarcely eat anything, and was troubled with pains similar to those I suffered with; and she cured herself with two bottles of Northrop & Lyman's Vegetable Discovery. I wish you success with your medicine, as I am fully convinced that it will do all you claim for it.

Signed, MELVILLE B. MARSH.

THOUSANDS LIKE HER.—Tena McLeod, Severn Bridge, writes: "I owe a debt of gratitude to Dr. Thomas' Eclectic Oil for curing me of a severe cold that troubled me nearly all last winter." In order to give a quietus to a hacking cough, take a dose of Dr. Thomas' Eclectic Oil thrice a day, or oftener if the cough spells render it necessary.

"I understand that Willoughby was half seas over at the Sneerwell dinner." "Oh no. He was sailing into Port when I left."

A bad book is the worst that it cannot repent.

Parnelee's Pills possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In fact, so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body. Mr. D. Carswell, Carswell P. O., writes: "I have tried Parnelee's Pills and find them an excellent medicine, and one that will sell well."

The sure way to be cheated is to fancy ourselves more cunning than others.

Mr. Joab Seales, of Toronto, writes: "A short time ago I was suffering from Kidney Complaint and Dyspepsia, sour stomach and lame back; in fact I was completely prostrated and suffering intense pain. While in this state a friend recommended me to try a bottle of Northrop & Lyman's Vegetable Discovery. I used one bottle and the permanent manner in which it has cured and made a new man of me is such that I cannot withhold from the proprietors this expression of my gratitude."

A grateful thought towards heaven is of itself a prayer.

DIFFERENCES OF OPINION regarding the popular internal and external remedy, Dr. Thomas' Eclectic Oil, do not, so far as known, exist. The testimony is positive and concurrent that the article relieves physical pain, cures lameness, checks a cough, is an excellent remedy for pains and rheumatic complaints, and it has no nauseating or other unpleasant effect when taken internally.

If you would know and not be known, live in a city.

Do you feel as though your friends had all deserted you, business calamities overwhelmed you, your body refusing to perform its duties, and even the sun had taken refuge behind a cloud? Then use Northrop & Lyman's Vegetable Discovery and hope will return and despondency disappear. Mr. R. H. Baker, Ingoldsby, writes: "I am completely cured of Dyspepsia that caused me great suffering for three years. Northrop & Lyman's Vegetable Discovery is the medicine that effected the cure after trying many other medicines."

When anger rises, think of the consequences.

MESSRS. NORTHROP & LYMAN CO. are the proprietors of Dr. Thomas' Eclectic Oil, which is now being sold in immense quantities throughout the Dominion. It is welcomed by the suffering invalid everywhere with emotions of delight, because it banishes pain and gives instant relief. This valuable specific for almost "every ill that flesh is heir to," is valued by the sufferer as more precious than gold. It is the elixir of life to many a wasted frame. To the farmer it is indispensable, and it should be in every house.
