AYER'S Cathartic Pills, (SUGAR COATED), ARE MADE TO CLEANSE THE BLOOD AND CURE THE RICK.

Headache, Sick Headache, Foul Stomach. Dr. J. C. Ayer, Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Bilious Disorders and Liver Complaints. DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., Feb. 1856. Sir: I have used your Pills in my general and local practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to your Pills.

Indigestion and Impurity of the Blood. From Rev. J. T. Himes, Pastor of Advent Church, Boston. Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To relieve the organs of the digestive system and purify the blood are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. From a Forwarding Merchant of St. Louis, Ill. 4, 1856. Dr. Ayer: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and languishing several months. Went to the doctor, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. After she was cured her and our two children are healthy and happy. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. W. E. GIBBS, Farmer.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Hawke, of the Methodist Episc. Church, PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until by the advice of a friend I resorted to your Pills. I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

For Dropsy, Plethory, or kindred Complaints, requiring an active purge, they are an excellent remedy. For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual. Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable medicine in small doses, is dangerous in large ones, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INFANANT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities in which it has not among them some living trophy of its victory over the subtle and dangerous disease of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous disease of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unperceived. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and until your cold while they are incurable, nor neglect them until no human skill can minister the inevitable end is hastened on the victim, cut your life away.

All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and this assure those who rely on it the best agent which can skill can furnish for their cure.

PREPARED BY DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. AND SOLD BY All the Druggists in Montreal and every where.
