

# The Oxford Economizer

(PATENTED)

## WHAT IT IS, AND WHAT IT WILL DO

- ¶ It means a boiler smoke pipe so cool, that one's hand may rest on same without inconvenience.
- ¶ It makes furnace gas in the house impossible.
- ¶ It means an average fuel saving of over 20 per cent.
- ¶ Its cost is a trifle—and we take it back if it does not do what we claim for it.
- ¶ It is licensed for use, only with Gurney-Oxford Boilers.
- ¶ We'll be glad to tell you more about it if you'll drop us a card.
