

Science & Education

A NEW
Educational Journal
FOR TEACHERS.

The aim of this paper is twofold. 1st. To give the teacher a paper that will interest him as an individual; and, 2nd, to give him the most reliable and valuable information obtainable regarding his profession.

"Science and Education is a teachers' paper, and I shall gladly see it in circulation amongst my teachers rather than the rubbishy things which commonly give themselves professional airs."—W. H. NELSON, School Superintendent, Colorado.

SCIENCE AND EDUCATION contains 13 numbers in each annual volume (appearing every fourth Friday during the year). The subscription price will be \$1.50 a year. Sample copies of the first (November) number will be sent free upon application. Address
