

INTRODUCTION

The visit to Canada in October, 1964, of Her Majesty Queen Elizabeth II and His Royal Highness the Prince Philip, Duke of Edinburgh, will follow an itinerary which includes Summerside and Charlottetown, P.E.I., Québec and Ottawa.

This handbook is intended to supplement the official *Arrangements* booklet by providing information of special importance to newspaper and periodical correspondents as well as to television, radio, still-picture, and newsreel personnel.

Since the preparation of this manual became necessary while certain minor details were still subject to change, a few corrections and elaborations may be required. If so, they will be announced during press briefings *en route*.
