or special Committee to enquire into Pension Troubles — Have they anybody on same who served in the Banks, and by that method has been in close touch with the Other Banks — ?

There are some injustices I am confident, also some drawing Pensions that shouldn't — In my own case two years ago I requested a Board, because I was leaving the Country, for a while — My board was a very poor job — I had a slight trouble with my hip — That was passed over, but afterwards through an M D friend I had an X Ray & found two small pieces of shrapnell legacy from 1915 —
