The Principal  
McGill University  
Montreal

Dear Mr Principal:

I am quite willing to accept the arrangement proposed in your letter of the 21st March, which has only just reached me, and I will do my best to discharge the duties of the new chair for so long as I may remain here.

It seems to me doubtful whether insurance properly should be assigned to such a chair, but that is a matter of detail which could be discussed at any time, and it does not affect or qualify my consent to the arrangement which you propose.

In addition to the work mentioned in the schedule I am prepared to undertake the instruction of the remaining LL.B. students until they graduate in 1926.

Yours faithfully

*H.A. Smith*
