

The Mayor, New Carlisle.

Perhaps it would not be asking too much of you to write direct to him at Metis Beach with any suggestions which you would care to give. I trust you will not feel that we are imposing too much upon your kindness in asking you to help us out in this matter, but we can assure you that, apart from the business in hand, the proposed entertainment will be both educational and instructive. There will be three films, one illustrating a trip around the world, a comedy and a film illustrating farming.

Yours faithfully,

Wilfrid Bovey.
