Dear Sir:-

Your letter of July 16th addressed to Dr. Nicholson with reference to the appointment of graduates of Canadian Universities to positions in the Colonial Civil Service has been passed to me for reply.

Our understanding is that at each Canadian University a Board has been appointed before whom candidates must appear. As you cannot appear before the Board at McGill University your best plan would be to apply to the University of Alberta. If this Board considers your application favourably you will be summoned to appear before the Dominion Board, made up of Mr. Justice Duff of the Supreme Court of Canada, Major-General Sir Willoughby Gwatkin, K.C.B., and Colonel Biggar, all of whom live in Ottawa.

If you desire, I shall be very pleased to send you a statement of your record at McGill.

Yours faithfully,
